

San Diego Fine Woodworkers 2010 Fall Seminar

We are pleased to announce that David Marks, Star of the DIY network TV show "Woodworks" will be the speaker for our annual Fall Seminar. This is truly a unique opportunity for our members. David is in great demand and we are lucky to have him for an entire weekend seminar.

David's studio furniture and sculpture is featured at many galleries, collections and exhibitions and can be viewed on his web site, www.djmarks.com. His many projects built during seven seasons of the TV show Woodworks can be viewed at www.djmarks.com/woodworks.asp.

David will be demonstrating the techniques of bandsawn veneer, **double bevel marquetry with a scroll saw, and router template inlay** as he makes a curved lid for a small chest. Utilizing a vacuum press, David will teach you his technique for gluing up the curved panel of the lid.

In addition, on Friday evening, **David will be giving a demonstration of his award winning gilding and patination process.** The processes that David will demonstrate can be applied to any surface that will accept paint. These include wood, metal, paper, ceramics, glass, even plastics. You will learn about some very creative and innovative techniques to enhance your work and increase your marketability. David will gild with copper, silver, and Dutch metal leaf. In addition to demonstrating the traditional oil size method of gilding, **he will also explore creative gilding techniques, such as the Japanese**

Notan method, of balancing positive and negative spaces. David will introduce students to the process of chemical patination. He will demonstrate various cold patina processes that students will learn working safely with mild acids. These are the same techniques that David uses on his award winning sculptures and vessels.
