November Program

Sanding

by Michael Boie

The November program will be on Sanding and the secrets of the use of electric random orbit sanders & tips on improving their performance. Michael Boie, who is a senior product manager for the Dewalt Porter Cable product development team, will be giving the presentation.

Along with the informative program on random Orbit Sanders, Michael and a team from Dewalt Porter Cable will be setting up stations around the room to learn from the members on topics surrounding Cordless Drills, Routers, Portable Vacuums, specialty cutting and Sanders. Members will have time before the meeting and during the break to try out these tools and give feedback to the company of what the members like, dislike and want in a tool.

Come early, as we should have the stations set up by 6 PM before the meeting. These tools are not for sale as they are still in the development stage, but I understand that they will be adding something very nice to our raffle.

Remember to come as early as 6 PM if you want extra time to add your feedback and assist in the product development process of new Wood Working Power Tools. See you there.

Del Cover, Program Chairman

November Raffle

Please come early and take a good look at the prizes. Ticket sales begin at 6:30pm with another opportunity to buy additional tickets at the meeting break. The more tickets you buy the better the chance of winning that tool you've had your eye on and would look great in your shop. All of the money goes directly to acquiring bigger and better prizes. See you at the raffle.

1. Shop-vac 16 gallon
2. Hitachi cordless driver/ drill 12 volt
3. Irwin quick-grip clamp set
4. Porter cable compact belt sander
5. Porter cable 16g finish nailer
6. Two cherries chisel set
7. Freud biscuit joiner
8. Kreg jig
9. Veritas dovetail saw
10. Surprise bag

James Strawn, Raffle Committee Chair, jlstrawn@cox.net

From the President...

(Please don't forget elections will be held during our next meeting.)

I would like to thank everyone involved in making the seminar such a huge success. Of all the seminars we've sponsored, this one was, by far, the best received. That isn't my opinion; it's what we've read from the feedback forms filled out by the attendees. I don't want to rehash Ed's comments from his seminar write up, but I would like to thank Ed and Linda Sanders for all their hard work in arranging and managing the seminar. Thanks also go to Mike Durlak from Rockler for all our door prizes. Every year Mike fills our bags with goodies to give away, so please make sure you visit Rockler for your woodworking needs.

During the seminar we passed around a coffee can and asked for donations that would benefit the Wounded Warrior Program (WWP). Paul Schurch suggested we raffle off his project to raise money for the SDFWA. We did and the Association took half of those earnings and combined it with the member donations in the coffee can.

Instead of just writing a check and mailing it in, I decided that I wanted to go see exactly what they do. So I headed to the Naval Medical Hospital San Diego and watched a few of the members from the San Diego Woodturners Association working with the injured vets. It was pretty incredible to see what they had accomplished by turning pens, bowls and other small vessels. In total, we donated \$600 to the San Diego Woodturners Association to help further their work with our injured veterans. Thank you to all of our members who made the donations, to the San Diego Woodturners for donating your time and effort for such a terrific program and to our veterans for serving our country.

Robert Threm, President sdfwapresident@cox.net 619 993-8207

DIW Children's Chairs

If you still have children's chair(s) taken from the Design in Wood show for finishing, please make sure you bring them in at that next meeting. We need to get them out to other non-profits in San Diego County.

2011 Nominating Committee

Time has come for us to nominate candidates for the 2011 Board of Directors. Robert Reese and Ross Rehart have been appointed as the Nominating Committee. Nominations opened at the September 27th General Meeting and close at the November 30th Annual Meeting.

The five Board of Directors positions that we will be voting on are – President, Vice President, Treasurer, Secretary and Member at Large.

If you would like to nominate someone or nominate yourself, please contact Robert Reese or Ross Rehart.

Robert Reese 858 695-2460 rtreese@gmail.com
Ross Rehart 760-445-1233 rehartr@yahoo.com

In addition to the Board of Directors there are numerous Committee Chair Persons who contribute a tremendous amount of effort to the Associations activities. Many of our Chair Positions could use a little assistance to make their job easier. If you have some spare time and would like to volunteer, please let one of the Board or Committee Members know and I'm sure they will welcome the help.

Publicity Chairman

We are looking for someone to fill the position of Publicity Chairman. If you want to help the SDFWA get recognized out on town or in the media, we could use your help. Please have some background in the publicity or advertising field, computer experience and the willingness to help promote the SDFWA in the way it deserves.

New Member Workshop

For all **new members, attending the November 30th meeting**, Russ Filbeck is hosting a workshop.

Russ will demonstrate the process he uses to make toy cars including turning custom wheels and the finishing. Making toys from left over materials from other projects helps reduce waste and makes children happy. Each new member attending the workshop will go home with a late model, high performance racecar.

This workshop is only for new members attending the SDFWA General Meeting. Russ will personally invite a couple of the committee or board members that have not previously attended one the workshops. This is intended to help new members make friends and become active, invested members.

New members, please contact Russ to let him know you will be attending. Phone: 858-566-9699

When: Sunday, December 4, 2011 9am -12 noon

Where: 11088 Delphinus Way, San Diego, CA 92126

Shop Tour

There will not be a shop tour in December. The next tour will be scheduled for late January. Details will be posted in the next newsletter.

Dale Stauffer, Shop Tours Chairman

2011 Seminar Report

We had an excellent seminar this year (see the photos below). I had several people tell me that it was the best seminar ever. Paul Schurch did a terrific job as a teacher and presenter. I think it is the first time we had a presenter actually finish his project on time and even had an hour of questions at the end. We went over our time at the end but it seemed most people didn't mind. This was the first marquetry and veneer seminar, and it was very well received.

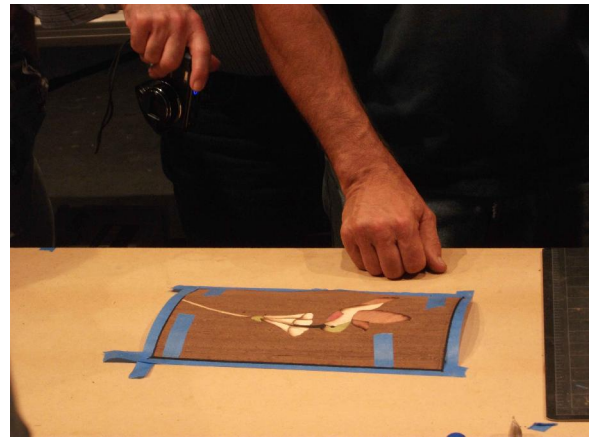

Unfortunately we did not meet our break-even goal, falling short by \$450. Not enough to break the bank, but we should be able to make a few bucks on these events. Just five more attendees would have put us in the black. There were several reasons for the shortfall.

First, we had some unforeseen¹. Secondly, were short on attendees this year. We had 112 paid attendance and in years past we have more like 130 or more. This may be due to the economy, the subject matter, advertising, or a combination thereof.

I have to mention the outstanding job all of our volunteers did, keeping things running smoothly. You may or may not know this, but the food servers do not get to enjoy the seminar, as there is a lot of preparation they had to do in the background. Glen Weischedel and Dan Spangler, with help from Al Devries and Roger Solheid, were on top of the refreshments. I want to particularly thank Linda Sanders for her work taking orders for everything. We did not count on doing that and Linda missed a lot of the seminar taking all the orders. We will insist in the future that the presenter bring his own staff if they want to sell stuff at the seminar. Also thanks to Doug Parker for his loan of his equipment. And Robert Threm for all his work and support. Of course thanks to Mike Durlak and Rockler for donating all the door prizes. They are a terrific sponsor and deserve your thanks when you visit the store.

It takes a lot of effort by a lot of people to put on these seminars but in the end it is worth it. See you next year and be sure to tell your friends. Let's make it a goal to "bring a buddy" to next year's seminar. Friday night will be a free preview.

Ed Gladney, Seminar Chairman

October Shop Tour

The October shop tour was a resounding success. About 70 people made the trek to Fallbrook on the 15th and were rewarded with a very cool wood shop courtesy of owner and proud designer, Bernie Burke, as well as a terrific scenic view on a fine sunny day. The doughnuts weren't too bad either and all had a good time. We are very grateful to Bernie for hosting the event, and also to Jewell Burke, for opening her exceptional quilting studio to the visitors. A few photos are shown below, and more can be seen on our website at: <http://www.sdfwa.org/shoptour.htm>.

Bernie said he would be happy to answer additional questions about the shop, and also to show the shop to individual members who had to miss the tour. Contact him at 760-723-0972 or bernieburke@roadrunner.com.

Design in Wood

Design in Wood 2012, our 31st Annual Exhibition, will take place June 8 to July 4, 2012. The Theme for 2012 is "Out of This World – Universe Invited" – anything to do with space.

We will be adding two new classes of entries to cover "Furniture Designed and Executed by Computer –Laser and/or CNC" and "Veneering and Marquetry Art Designed and Executed by Computer – Laser and/or CNC.

American Woodworker Magazines is adding a second "Best of Show" Award. There will be a \$1,000 award for "Best of Show – Furniture" and an additional award "Best of Show – Other Than Furniture".

Entries will close on Friday, April, 27, 2012. Now would be a good time to start planning and building your entry.

The first meeting of the planning committee will take place Saturday, January 7, 2012, at 9:30am at Chuck Anderson's. New members are always welcome.

Help Needed for Noah Homes

Noah Homes is in need of a sign maker to make some signs with a newly established logo.

Their mission statement:

Noah Homes, Inc. is a Catholic organization serving all faiths, whose mission is to provide exceptional residential services and opportunities for adults with intellectual and developmental disabilities. Our goal is to maximize each individual's independence in a community environment that fosters dignity and respect, as well as personal and spiritual growth.

The current signs appear to be made using a sandblasting technique. Several signs are needed. One is needed as soon as possible.

If any member can help with this project, or can refer someone, please call or email:
