Dinner before the meeting

We are trying something new. Enjoy the friendship of fellow woodworkers at dinner before the SDFWA General Meeting on **January 30 starting at 5:00 p.m.** at the **Round Table Pizza restaurant** (3250 Governor Dr.) just kitty-corner to the church where the SDFWA meets!!!

The restaurant can seat 70 people for dinner and discount prices are available to members. **We have a stack of coupons for everyone.**

This is the first time we have attempted a before-the-meeting dinner so we don't know how many people to expect. Therefore we ask that you [RSVP here](#) so we can monitor interest in attending.

The WWW women's group, who have met several times before the meetings, have plans to meet at the Outcast Grill (6104 Regents Road) at 5:00 across the street from the church.

The Program with Taeho Kwon

Taeho Kwon is a master woodworker with amazing credentials. He is the winner of last year's Design in Wood show Master Woodworker's Trophy. He will explain how quality joinery can improve the strength, longevity and appearance of your next project.

Email Scam

Someone has been spoofing (imitating) the email of various board members and sending out requests in their name. The email usually asks if you are busy and may request some type of payment be made. We have seen requests for iTunes gift cards and Walmart payments. If you see an email like this just ignore it, or call the person directly - **DO NOT REPLY** to the email itself.

The 2019 San Diego County Fair is coming up soon. Check out the entry requirements and more [click here](#)
