Dear Mr. Garrett:

Thank you for your recent donation of four chairs and a handmade table to The Chadwick Center for Children and Families at Rady Children's Hospital-San Diego. We truly appreciate your generous support.

The primary focus of the Chadwick Center for Children and Families at Rady Children's is the prevention, detection and treatment of child abuse and neglect, domestic violence, and post-traumatic stress in children. The Center works with overwhelmed families to prevent abuse and neglect, supports law enforcement and child protection when abuse is suspected to accurately gather the facts, and then helps victimized children and their families heal through one of the largest specialized mental health programs of its kind in the nation. The staff is committed to family-centered care and a multidisciplinary approach to create a world where children and families are healthy and free from abuse and neglect.

Your generosity helps us to create a healthy therapeutic environment while directing more critical funding toward patient programs. On behalf of all of us at Rady Children's, thank you for your thoughtfulness.

Sincerely,

Stephen Jennings
Senior Vice President
and Executive Director
