Our 26th Year as a Woodworking Association

Volume 26 **April 2007** **Newsletter** **Issue 3**

The Next Meeting is 7 pm, April 25th at the Al Bahr Temple, 5440 Kearny Mesa Rd.

Behind the Hampton Inn

April Program

“From Forest to Dining Room”

For the April meeting Bob Stevenson will give a power point presentation on greenwood working in the creation of Windsor chairs.

Many of us know about Bob's tireless work in the San Diego Fair's Design in Wood Exhibition. His effort, along with many of the club member volunteers, has created one of the largest and finest displays of woodworking in the United States. Many people attend the fair just to see the incredible pieces displayed in this exhibition and to watch the chair building demonstrations that go on through the entire fair.

Bob's discussion will include harvesting the trees in New England, methods of preparing and using the green wood to make chair parts, and the benefits of these particular methods of woodworking. He will end the presentation with a demonstration on the assembly process of the bow and spindles of a Brace back Bow Windsor side chair. The tools Bob uses are the same ones used in our 19th Century chair shop at the Fair. We hope you will join us for a very educational and information packed evening.

Hope to see you there!

Susan Spray, Program Chairwoman

April Raffle

Seven Great Prizes for Seven Lucky Winners

All of our sponsors value our business. They, in fact, make our organization possible by helping make membership more attractive to many who join for no other reason than to obtain sponsor discounts. If you are missing out on this benefit by failing to patronize our sponsors you are missing out on quality tools and materials at affordable prices. Take a few minutes to look over the list of sponsors, and use them when you can. Bob Welte at Tool Depot really sharpened his pencil this month to give especially low prices for many of the raffle prizes, and so did Mike Durlak at Rockler and Bill Kohr at Craftsman Studios. We thank them for their help.

Here are this month's prizes:

1. Set of 16 Amana Professional Quality Forstner Bits Hex no-slip shanks and saw-tooth design
2. Bosch 3725 DEVS 5" Random Orbit Sander 4,500 – 12,000 Smooth Strokes per minute
3. Kreg Jig's new K-3 Master System kit Deluxe kit with all the bells and whistles
4. Lie Nielsen Bronze Rabbet Plane One of the handiest hand tools in your shop
5. Bosch Plunge/Standard Router kit It wouldn't be a raffle without one
6. Bosch 1590 EVSK Top Handle Jigsaw kit Bosch's newest and latest, with easy blade changing
7. Bucketful of Surprises Who knows what you will find, but it's all good stuff

Tickets go on sale at 6:30. Come early and avoid the long line. More tickets sold mean even better prizes.

The April Old Tool Swapmeet was a good one, with lots of happy buyers and sellers. The next one is November 4th. Plan to be there early. The best things go really fast.

Bill Collins, Raffle Chairman

From the President...

The Design In Wood show is the largest and best (IMHO) display of woodworking in the United States. We are spoiled here in San Diego. Besides the weather, we are able to attend this great event each year without a second thought. There is nowhere else on the planet that such an array and variety of fine woodworking is on display in one exhibit. We have 21 different categories with about 300 entries every year. Tell your friends and co-workers about the show and encourage them to attend. It is truly one of the great advantages we enjoy here in San Diego.

Design In Wood entry forms are available at our sponsors and also on-line at http://www.sdfair.com/fair/pdf/entry_wood.pdf. Entry forms must be received by 5 PM, April 29. Six awards are reserved for SDFWA members. First, second and third place awards for Novice and Professional categories. The Novice class is reserved for members who have not previously won a ribbon and the Professional class is for members who have previously won. These are awards available only to SDFWA members and are in addition to the awards available to all entrants. I encourage you to enter. It can always be something you made a long time ago and have sitting around gathering dust. Enter it and get some recognition.

We still need volunteers for working the floor and the chair shop. Sign-up sheets will be available at the meeting and on line at <http://www.SDFWA.org>. There are plenty of positions available and we need your help. Building children's chairs in the 19th Century cabinet shop is a great way to polish up your hand tool skills or learn new techniques. Conversing with the crowds is always fun. We also need volunteers for the floor to watch over the exhibits. Floor duty is also rewarding. People always have questions about the show. We supply you with information on all the pieces and you don't have to be an expert. It also gives you a chance to spend some time really looking over the different works on display. There are usually over 300 entries and I know from experience that I seem to find something new each time I go through the show.

SETUP STARTS MONDAY MAY 27 AT 8 AM. We need your help for setup and tear down. No sign up necessary for this. Just show up. No skill needed. If you have a screw gun, bring it. We will even feed you coffee and donuts in the morning and also provide lunch. And you get fair tickets for your effort. It is always a lot of fun and a good way to meet a lot of your fellow woodworkers. Times and dates are provided in Bob Stevenson's article on the Design in Wood Show.

Speaking of volunteers, this organization runs totally on volunteer help. Besides the five elected board members we have 27 different committees. This requires a lot of help from a lot of dedicated people to make this organization function. We are always looking for volunteers. If you think you have a few hours a month to contribute, please contact me. The payback is much greater than the time spent.

Membership was a big topic at this month's board meeting. We are a little down from last year but nothing to be panicked about yet. Everything we do is supported through your membership dues. It is still a real bargain but if our membership drops we will all suffer. However there are things we all can do to help keep our membership up. Keep some membership forms and hand them out to anyone you meet who is a woodworker. We will have some available at the meeting. I am always surprised of the number of woodworkers I meet that still don't know about us.

Bring something for the brag table.

See you at the meeting,

Ed Gladney, President gladney@san.rr.com, 858-484-4366

Shop Tour

Shop tour call to members

Any members who would like to share a few hours of a Saturday morning (9am) showing off their shop to other members, please email rthrem@cox.net with the details and we can set something up. The shop tours are held the first Saturday after the general meetings. If you know any non-members interested in having our members tour their facility, you can email that information as well.

Saturday, April 28th Shop Tour (9am)

Our toy making program has got to be one of the most rewarding volunteer opportunities our association has to offer. It is alive and well thanks to those who find the time and offer their skills in a craft that we love - woodworking. Can you imagine the smiles on the faces of the children who receive one of those toys? That in itself is well worth the effort that goes into this program. There is a small group of dedicated members who play an integral part in getting those toys made, one of those members is Charlie Bierman.

In fourth grade Charlie was bitten by the woodworking bug and has been at it ever since. He has designed and built many pieces of furniture, but 15 years ago, he was diagnosed with a rare condition that caused him to make toys – lots and lots of toys. After hearing about the toy program at almost every general meeting, now is our chance to see where some of these wonderful toys are actually made. And no! It's not the North Pole - it's at Charlie's shop. He will have many of the toys, jigs and fixtures related to toy making and even have a few demonstrations for us. So come on out, show your support and have a great couple of hours seeing friends and talking shop while enjoying what the toy program has to offer... I almost forgot, enjoy the fresh coffee and donuts for those of us watching our diets. Hope to see you there.

Design In Wood Exhibition

The 26th Annual Design in Wood Exhibition is starting to grow. Entries are starting to come in and we are looking forward to a great competition and many beautiful pieces to exhibit. Remember you only have until April 27th to get your entry in.

Also remember we need your help to make the largest event on our schedule a real hit. It is routine for 1.2 million people to come to the Fair each year and we want our exhibit to be the reason they come.

When you sign up for a shift to work in the chair shop you will have the wonderful experience of making children's chairs for charity. No experience necessary. **Two (2) Fair tickets for each shift.**

When you sign up to be an Ambassador representing SDFWA walking the exhibit floor you will have the great opportunity promote our craft, the show and our association.
Two (2) Fair tickets for each shift.

Sign up at the April meeting. See Eric Lunde. Please sign up for several shifts so we can have good coverage. Come to the meeting prepared to sign up knowing your schedule. If you can't come to the meeting, you can still sign up at: www.sdfwa.org. (See Eric Lunde's note in this newsletter: "How to Sign up to Work at the Fair.") You can also call Eric at 858-487-7644 and he will assist you in signing up.

SET UP – YOU CAN HELP

We will start setting up for Design in Wood on Monday, May 21, 2007. Lights need to go up. Platforms need to be placed and walls assembled. Demonstration enclosures need to be assembled.

NO NEED TO SIGN UP FOR SET UP – JUST SHOW UP

Set Up Schedule:

Monday	May 21	8:30am to 4:00pm
Tuesday	May 22	8:30am to 4:00pm
Wednesday	May 23	8:30am to 4:00pm
Thursday	May 24	8:30am to 4:00pm

Monday	May 28	9:00am to 4:00pm
Tuesday	May 29	9:00am to 4:00pm
Wednesday	May 30	9:00am to 4:00pm

Bring your tool belt and appetite. Be sure to mark all your tools clearly with your name. We will take care of the rest. **Free tickets to the Fair for your help.**

DATES TO REMEMBER

The Fair runs June 8, 2007 to July 4, 2007.

The Fair will be closed the following dates:

Mondays:	June 11, June 18, June 25
Tuesdays:	June 12, June 19

If you have any questions, call or email me at: 619-422-7338 or bobscww@cox.net

A COMMUNITY SERVICE PROJECT

Our association has been asked to become involved in a community service project that would benefit Lindbergh Schweitzer Elementary School, located in east Clairemont. The project would involve building a gate and a fence to separate the playground area from a newly restored sculpture garden created by the artist James Hubbell. The materials will be provided. We are asked to build the project. Members of our board have approved the activity. More information will be given at the general meeting.

Video Library

Videos by Next Seminar Speaker to Be Shown

One of the major objectives of the San Diego Fine Woodworkers Association is to help members increase their level of expertise. As part of this effort, a video library was established some years ago. This library now contains videos which provide information on virtually every phase of woodworking. The cost of renting a video, \$3.50, allows the video to be mailed to the member, includes postage for its return, and provides a small amount to maintain the library. For the most part, the cost of video purchase is underwritten by club dues. In an effort to keep the library current, new videos are purchased whenever the librarian learns of a useful addition. Suggestions for new videos are always welcomed. During this past year several videos have been acquired which were made by Glen Huey. These involve construction of Colonial Period furniture but also provide basic information in the process. The videos we have so far are sets including a DVD and a CD-ROM. Because Glen Huey will be our Seminar speaker this September, we have decided to show portions of his videos at the upcoming meetings. We encourage members to explore these videos as vehicles for learning about both making these Colonial Period pieces as well as becoming acquainted with Glen Huey as an instructor.

As the coordinator for SAY San Diego's Start Smart program, I want to thank you and your organization for your recent donation to our program. The children's furniture and toys are a fantastic asset that we could not otherwise provide our clients. The chairs you recently provided are much needed at one of our Family Resource Center locations, and we can **ALWAYS** use the great wooden toys. Staff can hardly wait to share the telephones (great flip-phones!) to use in language development and creative play; also the cars, planes, and pull toys. Especially since we have so many toddlers in our classes now, the pull toys are great. We are sharing this batch of toys with our Military Family Healthy Start program, which provides classes and an in-home curriculum similar to Start Smart for families of military personnel. Families being served through the Horn of Africa (East African immigrants) will also receive some of the toys. Our program offers parent-child interactive classes and home visits that teach parents about child development and how, to prepare their children for kindergarten. Crafts and other hands-on activities are central to what we do, and the items your organization has donated help every time the families meet.

Thank, you so very much for continuing to support the work of SAY San Diego We are proud to be an ongoing recipient of your fine quality workmanship. We appreciate and value what you do for us.

Sincerely,

Ellen Yaffa,

This letter is to acknowledge the donation of hand-made toys to our annual Holiday Toy and Food Drive. In conjunction with the Lemon Grove Soroptomists, we collect toys and food to give to approximately 800 needy families in the Lemon Grove School District.

We would like to extend our sincere thanks for the beautiful toys we received from your organization. I'm sure they will be well loved by the recipients.

Sincerely,

Andrew Sundstrom
