

San Diego Fine Woodworkers Association

Volume 36

Newsletter January, 2017

Issue 1

Our 36th Year of Bringing Woodworkers Together

The Next Meeting is 7 pm, Wednesday, January 25th,

at the Al Bahr Temple, 5440 Kearney Mesa Rd. (behind the Hampton Inn)

January Program: Pat Edwards, The Science of Glue

**Dell Cover,
Program Chairman**

What causes things to stick together? Pat Edwards will give a program on the science of glue and what causes things to bond. Pat manufactures "Old Brown Glue", a cold process hide glue and has been studying the process of bonding for many years. He will also talk about other glues and how they compare in performance and properties. For those interested in hide glues he will also offer samples of his at a discount to members.

Hope to see you there, Dell Cover

Deering Banjo, March 7th, 9th, and 16th

**Dale Stauffer,
Shop Tours Chairman**

Fellow members, this shop tour will be different for a couple of reasons: it will be held on weekdays, not on a Saturday; it will be held on three separate days at 1:00 pm in the afternoon; and, attendance will be limited to fifteen people for each day. No refreshments will be served.

You will have the opportunity to sign up for this tour at the January meeting. In case of cancellations by members, alternate members will be notified of the opportunity to attend.

For those attending, they will tour what is arguably the pre-eminent banjo making shop in America. They will see many of the processes used by the banjo making craftsmen. For a look at Deering Banjo, please go to their website at <https://www.deeringbanjos.com/>.

Directions: From Interstate 94, take exit 10 B north at Kenwood Drive in Spring Valley; proceed on Kenwood Dr.; take right on Kenora Dr.; and proceed to 3373 Kenora Dr. in Casa de Oro.

President's Message, January, 2017

Mike Davis,
President SDFWA

First I want to start off by saying Happy New Year to all SDFWA members! We enter a new year that I think will bring us lots of exciting and new things. I am Mike Davis and I want to say thank you for electing me your new president of SDFWA for 2017. We have had good leadership over the past several years and I want to say a big thank you to our past president, Bernie Burke, and to the entire board that served us last year. You kept the association running very well and kept us moving forward. I hope those of us who are new to the board can do as well in the upcoming year.

I have been looking through the opening messages from past presidents and everyone seems to mention our need for volunteers. I won't be any different because this association runs on volunteers. We have about 50 committee heads and other members who perform a majority of the work in setting up the meetings, running various programs and keeping the business of the association running. We should be thankful to every one of them for the work they do. This is a normal situation for a group of our size. I believe that if a person wants to join the association, get a membership card, and not do anything at all that is their right and they are certainly entitled to do that. I did that for a number of years when I first joined the association. But I also know that when you increase your involvement and participate in one or more committees or other jobs, you get more out of it than you put into it. So I hope this will be the year you volunteer to help the association. Right now we have an immediate need for someone to take over our magazine sales. If you think you might be able to help, please contact me or any other board member and let us know. And if you have an interest in any of the jobs you see people doing, please say something

because we all can use the help and your efforts would be appreciated.

I should give you a little bit of my history as it relates to woodworking. I love the smell and feel of working with wood. The first time I really made anything out of wood was in Junior High School, back in the day when there were industrial arts programs in our schools. We had a limited woodworking program, but I was able to turn a very ugly candlestick on a lathe and make a crossbow stock out of three pieces of walnut. Still, it showed me that woodworking was something I could do and produce reasonable things from wood. I didn't do much of any woodworking for the next 20 years or so, but for the last 25, I have been making a variety of projects including furniture, boxes, kitchen cabinets, and most recently musical instruments. I have taken several classes at Palomar College and learned a lot by making mistakes, as I am sure most of us have. My current project is to make a violin for my wife. I may end up with a rough fiddle, and I am sure nobody will confuse me with Antonio Stradivari, but it will be fun.

Where do I see the club going in the next year? Well, the most major project we have is, of course, the member shop. Gary Anderson and the other members of the shop committee have been working hard on it and we are at the point where actions will start happening, so look for more news in the near future. But one of the things I want to do is to make sure we don't give up on any of the other efforts the association has been doing over the years in the past. These projects include the Design in Wood Exhibit at the Fair, the Fall Seminar, the Toy Program, Shop Tours, Community Outreach and dozens of other things this Association does. We will keep on doing these and more.

So let's have a 2017 that is filled with wood shavings and sawdust, smells like wood finishes and stains, have some fun and keep SDFWA the strong association it is.

2017 Design In Wood

Ed Gladney
Special Events Chairman

Time to start working on your entry for the 2017 Design In Wood exhibition. Remember, there are more chances to win for SDFWA members. Entries close April 28th this year so it's time to get started if you haven't already. We now have 25 separate entry classes. Each class has 1st, 2nd, 3rd and 4th cash awards. In addition, Honorable Mentions are also awarded in each class at the discretion of the judges. These are State awards. Each class is judged by a well-known expert in their field. Also, we have secured major donated awards from our many corporate and local sponsors. This greatly increases the number of awards. We have over \$20,000 in cash and merchandise awarded each year. We look forward to making our 36th year the best ever. Our co-sponsor, the 22nd Agricultural District, also looks forward to our successful exhibition. Last year's attendance provided the opportunity for over one and a half million fairgoers to see our exhibit.

The fair theme this year is **"WHERE the WEST is FUN!"** I am looking forward to seeing some interesting theme entries.

All entries are online and will be available on the fair's website beginning in mid-February at www.SDFAIR.com ; the entry deadline is April 28th. There is plenty of help with entries from the entry office at the fair.

The exhibit opens on Friday, June 2nd at 4pm and runs through July 4th. The fair is closed Mondays and the first three Tuesdays. Our award ceremony will be June 1st at 6pm. Other important dates are:

Registration Deadline: Friday, April 28, 2017

Exhibit Delivery Date:

Thursday, May 25, 2017 noon to 8:00pm

Exhibit Awards Ceremony: Thursday
June 1, 2017 7:00pm.

Volunteers from our membership are desperately needed: The Design in Wood exhibition cannot happen without the support from SDFWA. It is the premier woodworking show in the nation (according to Fine Woodworking magazine) precisely because of the support from our membership.

What sets our show apart from others are all of you. Our SDFWA woodworking members are able to interact with the public, answering woodworking questions and supplying a great experience for fairgoers. We constantly hear the DIW is the favorite "must-see" exhibit at the fair. We really need your help. We have been experiencing a drop off in volunteers in recent years, especially for the last shift of the day, and at the end of the fair. Most questions from the public are easy to answer and we have plenty of help if needed. We really need your help, so please plan on volunteering. Remember the DIW show is "your show" and one to be proud of. It was the main reason SDFWA was established and (from our bylaws, the purpose of SDFWA) "is dedicated to the education, promotion, and execution of the principles of fine woodworking." The DIW show is our main venue for achieving that goal.

NO experience is necessary to volunteer, and volunteering is very rewarding.

We need members to "walk the floor" to help educate the public about woodworking and protect the exhibits. A shift is three hours although you do not have to be on your feet the entire time. We encourage you to take a break if you need to. We have a break room with soda, coffee and snacks. You receive two tickets for each shift or four tickets for each closing shift (last shift in the evening). It is not necessary to be a "master" woodworker to answer questions from the public. Even "beginning" woodworkers will know more than 99% of the public. Most questions are easy to answer and we have plenty of help if needed. Number 1 question every year: "Where is the bathroom?"

We need members to work in the chair shop building children's chairs for charity. A shift is two hours. You receive two tickets for each shift. Learn some new hand tool woodworking skills from master craftsmen. The chairs we build by hand are donated to needy children's organizations around San Diego. They are very much in high demand. Over the years we have delivered over 1,000 chairs to many worthwhile non-profit organizations. Volunteer for several shifts and you can receive enough tickets for your family and friends. Two tickets will be given for each floor-walking shift or chair-shop shift.

We need help with set up starting on Monday, May 15. In addition to free fair tickets, enjoy coffee, juice and donuts in the morning, a great lunch, and refreshments throughout the day. Up to 4 tickets will be given to those who help with setup (exact number depends on amount of time helping).

Remember, sign up for a shift and get two (2) free tickets to the Fair. Sign up for several shifts and get enough tickets also for your family and friends.

AGAIN THIS YEAR: SIGN UP FOR THE CLOSING FLOOR-WALKING SHIFTS AND DOUBLE YOUR TICKETS TO FOUR (4) TICKETS FOR EACH CLOSING SHIFT.

For those who help with set up, we have free tickets based on how much time you work, along with the refreshments and a great lunch.

Sign up to volunteer online at www.sdfwa.org starting in late February or at the general meetings, starting with our March meeting.

This is your exhibit, SDFWA. Let's make it the **VERY BEST.**

## **Member Shop Project**

**Gary Anderson,  
Member Shop Chairman**

As I write this article, we are anxiously waiting to receive the final lease from our prospective landlord at the site we've found just off 1-805 and Miramar Road. It's my hope that by the time you read this the lease will have been signed and a whole new set of announcements will have been made.

However, there is plenty of other news to share!

First, I'm delighted to tell you that we have filled the final key positions on the Member Shop Organizational Chart.

Our new Safety Director is Mike Howell. Mike is a young guy (at least as compared to most of us) but already a Chief in the Naval Reserves. Most importantly, he has a passion for safety and safety training that he picked up during his active duty time in the Navy. He is uniquely well qualified for this important post. And he is already working on the safety training curriculum that all of us will need to go through prior to using our new Shop.

Pete Sterling, who has already given so generously of his time and talents getting us to this point, has agreed to accept the responsibility of Shop Director. This critical position will be responsible for the overall operation of the shop, including recruitment and training of the shift supervisors. We all owe Pete a sincere "thank you" for taking on this new and important challenge. If you're willing to volunteer as a shop supervisor, please contact Pete soon. He is also looking for an assistant shop director.

Jim Strawn has kindly agreed to be our Equipment Maintenance Director. I suspect he needs no introduction and, as you might imagine, we are delighted to have him as part of our team. The number one issue the other Guilds wrestle with is keeping all the machines running. We are indeed fortunate to have

## SDFWA 2016 Financial Summary

**Jeff Bratt,  
Treasurer**

someone with Jim’s skill and knowledge to fill this key slot. One of our younger Members, Justin Goodrich, is anxious to give Jim a hand. Justin has been doing a number of things to help us with the Member Shop Project and his enthusiasm and experience with woodworking equipment will make us even stronger.

Tom Veatch, who headed up our recent Kickstarter campaign will be our Special Projects Director. There will be no shortage of things for him to do. But his current challenge is to help Pete by coordinating the “build out” of the new Shop space. If you’d like to volunteer your time and talents, please let Tom know.

Another key player is Brian Kranson. He will be our IT Director, responsible for all the electronics in the new Shop including, but not limited to, security system, electronic access system, sign-in program, camera system (to include web cam), phone and internet service, and audio and projection systems for the classroom.

If you have not yet signed up for a Shop Membership, you should know that we are about to discontinue the “pre-opening” discounts we’ve been offering to encourage early sign-ups. Save yourself \$25 and sign up today. You can do it through the web site. Just click on “Member Shop”; then on “Shop Memberships.”

We are within a “whisker” of reaching our fund raising goal for our shop equipment package. If you have not yet contributed, we could sure use your help pushing us over the top. You can make your contribution on the website or by check. Remember, we’re counting on you!

May 2017 bring you good health and happiness.....and a New Member Shop!!

Total Expense:	\$62,654.41

Net Income: \$133,231.97

SDFWA ended fiscal 2016 having raised enough money for the Board of Directors to approve the Member Shop project. Our number of members held steady, and our expenses for continuing operations (outside of the Member Shop) were only slightly more than 2015.

The biggest change for 2017 will be opening the Member Shop – an exciting prospect for SDFWA!

~~~~~

**November Raffle**  
**James Strawn,**  
**Raffle Program Chairman**

This month there is only one item in the raffle and it is very special. It is a Dewalt 13" two speed Planer complete with stand and infeed and outfeed tables. The value for this package is \$829.98; so get excited; come to the meeting; and, buy lots of tickets!

~~~~~

Toy Program
Roger Solheid, Toy Program Chairman

Since our last report the following toys have been completed in 2016:

60	Misc. Toys	Ed Hujsak
4	Animal Puzzles	Charlie Bierman
48	Bean Bag Toss	Jerry's Toy Shop
27	Cars	Jerry's Toy Shop
5	Jeeps	George Byrne
120	Bracelets	Jerry's Toy Shop
10	Car	Paul Diefleerd
27	Cars & Trucks	Charlie Bierman

Our toy production total for the period was 301 and 1,150 for 2016.

~~~~~

**Pro Bono Report**  
**Jim Vitale, Pro Bono Chairman**

Jim received the following letter of gratitude from the Solana Beach Presbyterian Church:

Hi James,

The more deeply I explored those big boxes, the more my jaw dropped. You and your guys could make big bucks selling those artfully crafted toys. Electronic gadgets don't hold a candle to the imagination stimulation that your toys will bring to kids in our community. I walked the toys over to the office of Nicole Green. She was wowed, too. Nicole directs our Casa de Amistad program which gathers over 200 Hispanic kids together twice a week for loving mentoring and tutoring by 150+ volunteers. Several Casa families are in very hard places this season, with parental illness that eats up their modest salaries, leaving little for Christmas gifts. Let your adult imaginations picture the many happy little faces that will light up when these toys are unwrapped.

Sincere thanks from your friends at Solana Beach Presbyterian Church. The love of God that came to earth in a little manger; in a little town called Bethlehem so many years ago still inspires generous giving like yours and inspires our church to give our lives away for the life of the world.

God's very best to you all,  
Tom

**Kickstarter summary 1/2/17,
Tom Veatch, Member Shop Committee
Member**

Launch date: 12/01/16
End date: 12/19/16
Pledges committed: \$2,168.00
Total number of backers: 39
Backers with a reward: 20
Backers without a reward: 19
Average reward: \$58.43

Proceeds

The net proceeds should be credited to the SDFWA VISA card approximately two weeks after the close of the campaign.

Gross	\$2,168.00
External checks and refund	+150.00
Kickstarter fees	-222.02
Estimated shipping costs	-156.55
Net proceeds:	\$1,939.43

Promotional efforts

- Facebook: A post was added to the SDFWA Facebook page.
- Email: We sent out two sets of emails to the entire SDFWA membership. We encouraged members to share the Kickstarter campaign and included a hyperlink to the Tale of Toys campaign. On the second email, members were asked to forward an email to everyone in their contact list to spread the word about the campaign.
- Telephone calling: Brian and Tom made approximately 100 calls to member shop founders to encourage them to forward an email to their personal email list.

Worthwhile?

We learned a lot from this campaign and do believe it was a worthwhile effort. We did not make our stretch goal of \$5,000.00, but consider it a success overall. The response from the members was lower than expected, but we believe this could be successfully

repeated on an annual basis. It should be launched on Nov 1st and do more promotional efforts to the members in advance of the launch.

Future fund raising ideas

Make offers

**Jay Foster** [jayfoster@roadrunner.com](mailto:jayfoster@roadrunner.com)

- John Gander was a long standing SDFWA member until his death in 2014. John left behind two remarkably fine but somewhat unique items that he built. His family has asked for help in finding a new home for these items. One is an ingenious cabinet made to hold a Bosch portable table saw (Bosch 4000). The saw is mounted on a very sturdy table which folds up into the cabinet. There are also two excellent cross cut sleds made for the saw. The second item is a storage cabinet with four drawers and three slide out trays. The cabinet is beautifully engineered, built like a bank vault with high end drawers slides and a bubinga face frame (W 73", H 35", D 24"). Photos of both items can be seen at the links below. If you are interested in either one, contact me at: [vicepresident@sdfwa.org](mailto:vicepresident@sdfwa.org)

Dick Ugoretz

**Updated List and Photos available on website**

**Please check the website at** [www.sdfwa.org](http://www.sdfwa.org) or <http://www.sdfwa.org/wants-and-disposals/>

The Escondido Arts Partnership is pleased to announce the eighth Presentation of WOOD, A Furniture Show VIII, hosted by Brian Murphy of Murphy's Fine Woodworking. This exhibition will feature a gathering of some of the very best furniture makers in Southern California showing their work at the Escondido Municipal Gallery. A variety of wood mediums will be exhibited throughout the month. This exhibition is presented in association with the San Diego Fine Woodworking Association.

The opening reception on Saturday, January 14th provides an opportunity for the public to meet the featured woodworking artists from 5:30pm to 8:00pm. The show will feature pieces of amazing handcrafted furniture including contemporary, traditional, art furniture, as well as veneering and marquetry.

SDFWA member exhibitors: Bill Bardick, Dell Cover, Russ Filbeck, Ed Gladney, Brian Murphy, Mike Murphy, Bob Stevenson, Craig Thibodeau, Dick Ugoretz.
