July Program

Using Wood as an Art Form

For seven years, Del Cover and Dave Carr had an incredible opportunity to work with the French artist Niki de St. Phalle. During this time they produced over 80 pieces of artwork and furniture for Niki, pushing the limit of what could be done with wood. This included bent and stacked laminated pieces and many unusual finishing techniques using aniline dyes.

In the program, Del and Dave will share what it was like collaborating with Niki, some of the design processes and the laminating and dying techniques used in this work. Also shown in the presentation will be some of the specialized carving and sanding tools used in developing the art pieces. Work that will be shown, includes laminated snake chairs, stacked laminated snake mirrors and a large design model made for the new "Queen Califia" sculpture garden, soon to open in Escondido. I hope to see you there, Del.

Shop Tour

On Saturday, August 9, 2003 at 9am, Charlie Bojarski a SDFWA member for over 20 years, and owner of Charlie's Custom Cabinets will have a shop tour at his North County garage/cabinet shop.

Some of the features of his shop are a three phase converter, a Wadkin Bursgreen (British) 3 hp table saw, an outside vertical air compressor, a Frank Klaus style workbench built in 1987, and custom made (movable) storage cupboards.

Charlie is currently working on a Sam Maloof style rocker and will demonstrate the techniques and tools used to form the seat. There will also be a display of the many other pieces that he has built.

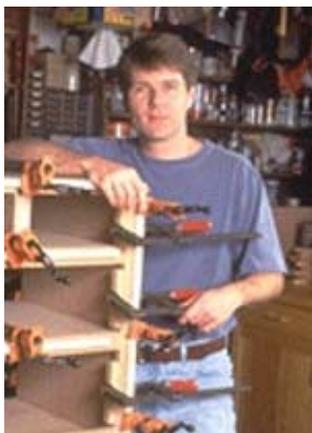

The shop is located at 4918 Neblina Dr. Carlsbad CA 92008, (760) 434-3719

To get to Charlie's shop take I-5 to Tamarack exit in Carlsbad. Go East past Vons on your right then up hill past the school on your left. Continue through three stop signs, and after one more block turn right (South) on High Ridge Avenue (sign on wall says "Telescope Point"), 2nd block turn right on Neblina Drive. It is the 4th house on the right, with a red roof. The cross street is Avila.

As usual there will be coffee and donuts,
I hope to see you there!

2003 Fall Seminar

ANDY RAE

**Cabinet Making and
Construction
Techniques**

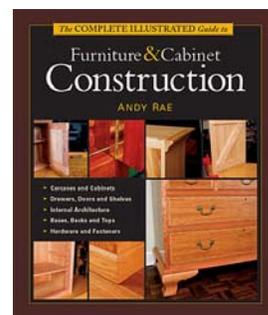

September 19,20,21 2003

Andy Rae is a furniture designer, craftsman, teacher, and author of two videos and countless articles for various publications, including American Woodworker and Fine Woodworking magazines. Andy apprenticed with George Nakashima and Frank Klausz then went on to become a Senior Editor for American Woodworker Magazine for six years. He is author of Furniture and Cabinet Construction published by Taunton Press last year (Part of the three book series of which Gary Rogowski's tome we provided at the seminar last year). He authored Choosing and Using Hand Tools in 2002. In 1990 he received a Fellowship grant from the New Jersey Council for the Arts and today is a leading designer and furniture maker on the East Coast. A frequent guest speaker and lecturer, Andy just completed teaching a five-day class in cabinetmaking at Marc Adams School of Woodworking in Franklin, IN. Andy is currently working on a book about rustic furniture making, gathering inspiration from his surroundings in the wild and wooded Smoky Mountains of western North Carolina.

The seminar will focus on Cabinetmaking using solid wood and panel stock (MDF and Plywood). Both construction techniques (European 32mm and Face Frame) will be presented.

All this:

- **3-day seminar – Friday evening, Saturday and Sunday**
- **Coffee, donuts and juice - Saturday and Sunday morning**
- **Soft drinks provided all day**
- **Catered lunch – Saturday and Sunday**
- **Andy's book "Furniture and Cabinet Construction" A \$40 value**

A great value for only \$80.00!

DON'T MISS THIS ONE!

**COST: \$80.00 SDFWA Members (includes Book)
\$100 Non-members (includes Book and 2003 SDFWA Membership)**

Panel King Professional combination Panel Saw and Panel Router system (Bradbury Industries). You've seen these demonstrated at many of the woodworking shows. Brand new, just assembled, complete with Festo AT55 circular saw and 3 Festo saw blades. Just assembled, never used beyond setup cuts. Simply too big for my shop. If you've been thinking about getting one of these, but were put off by the price, this is your chance. Over \$3,300 invested, sacrifice for \$1,900 OBO.

SDFWA Mailing List

We currently have 145 members subscribed to our mailing list and the numbers are growing. In case you haven't heard, this is the email mailing list where we provide last minute information and reminders.

We try to plan events well in advance and notify everyone via the newsletter and web site. Unfortunately sometimes *Murphy* intervenes and it is necessary to make a last minute change to a location, time or date. Subscribing to the list will ensure you have the greatest possible notice about these changes.

This is not a chat room or anything like that and we don't give out your email address to anyone else. Occasionally we send an email when we have something important to share with the membership.

You can join from our website at this address: <http://www.sdfwa.org/memberapp.htm> just enter your email address in the box and click the "join" button. See you on the list.

Bill Kohr, SDFWA Mailing List Manager

Congratulations

To John and Sharon van Blerck on the arrival of their new son, Bradley Andrew. Bradley arrived on Monday, May 26 at 4am, weighing in at 7lbs 15oz.

July 2003 Membership Report

As of 13 July 2003 we have 1514 members plus 524 spouses with cards. Of the list, 234 are new members this year. There are 261 members who have chosen to get their newsletters from our website. If you one of these but haven't registered that with Harry Baldwin, you will still be receiving a copy through the mail. Send an email stating your wish to receive personal email notices of the availability of the newsletter on our website (www.sdfwa.org) to HarrySDFWA@aol.com and you will be taken off the postal mailing list. You may, of course, change your option at any time, by notifying Harry to that effect.

Design in Wood Exhibition

Our 22nd annual Design in Wood Exhibition is back in the box. It was one of the most successful and extremely interesting exhibits we have had. Entries came from all over the United States, Europe and the Middle East. Visitors came from all over the United States and Europe to see our exhibit. The total number of visitors to the Fair was 1.2 million in 21 days and from the great crowds we had in the exhibit, most were able to appreciate Design in Wood. Many people in fact tell us year after year that they come to the Fair just to see Design in Wood. Undoubtedly the best wood working display anywhere.

A great big thank you to all who helped make this years exhibition so successful- all the volunteers who helped with setup and takedown, floor walkers, shop workers, and especially the staff who worked so hard to keep everything running smoothly. Finally I want to thank the spouses of the staff for their support. Without all this help, Design in Wood would not happen.

Bob Stevenson, Chairman, Shows & Exhibits

The following is excerpted from the San Diego Public Library Newsletter

In February, Ed Gladney, President of the San Diego Fine Woodworkers Association presented San Diego Public Library with the organization's 11th consecutive contribution of \$1000. This gift is matched 100% by the City of San Diego with 50% of the matching funds used to purchase materials for branches and 50% added to the original gift for Central Library. This has enabled Central Library to purchase \$1,500 worth of woodworking texts, videos and reference materials each year for 11 years, building an impressive collection of 20 reference books, 966 circulating books and 67 videocassettes, 10 of which are Spanish language videos. Each book has a bookplate inside the front cover which recognizes the organization.

This is an excellent example of the kind of partnership between the Library and the community which helps to grow unique collections matching the interests of the public with materials they want and need.

Woodcrafter Design Gallery Opens

"Peter Sidlauskas is happy to announce the opening of Woodcrafter Design Gallery at 135 E. Grand Avenue, Escondido. Gallery hours are Tuesday thru Saturday 11:00 AM to 6:00 PM. He is currently accepting quality pieces of fine woodworking of all types. Contracts and other important information can be had by calling him at (760) 741-0124 or e-mail at woodgallery@att.net. Even if you have no pieces to show at this time you can be very helpful to your fellow woodworkers by visiting the gallery and encouraging your family and friends to do the same. It is hoped you will be pleased with the gallery and will be proud to show your best work there."

Scholarship Award Winners

The SDFWA scholarship program is one of the most important activities of our association. Two dollars of each member's annual dues are reserved for scholarships. Applications are distributed each year to local high schools and the woodworking program at Palomar College. Palomar student entries are judged and winners awarded at their annual year-end banquet in June. The pieces are then put on display in the Palomar exhibit at the San Diego County Fair. Each winner receives \$400 cash, a certificate and a SDFWA membership. This years winners are shown below.

The new owner of the Packaging Store, Jim Phillips, said that they specialize in packaging and shipping Large, Fragile, Awkward and Valuable items for woodworkers. They can do it all or do a portion of it. They also offer a wide range of packing materials used to protect fine wood items.

Sponsor Spotlight

Apollo Sprayers, Inc.

A Design in Wood Sponsor for the past three years, Apollo Sprayers is the latest industry supplier to join the ranks of SDFWA sponsors. During a recent interview, John Darroch, Apollo Sprayers President and CEO, expressed his enthusiasm of joining the SDFWA sponsorship team and expanding Apollo's participation in the association. John invites all members to visit Apollo's website, www.hvlp.com, for product news, technical assistance, updates and links to related sites. In the business of supplying industrial spray finishing equipment since 1966, Apollo is an industry leader in HVLP technology and application.

Apollo has been affiliated with the Palomar College for twelve years through its donation of equipment in support of CFT program finishing classes. Additionally, Apollo has been providing woodworking scholarships for high school and college student the past ten years.

Welcome aboard Apollo and thank you for your support.
