July Program

Tom Thornton

Master Box Maker

You've seen his works of art at the Design in Wood Exhibition. He has won awards too numerous to count in many different exhibitions and competitions. The uniqueness of his solid wood segmented and laminated keepsake and jewelry boxes and mastery of concealed mechanisms for opening knobless and concealed drawers has earned him a reputation of unparalleled craftsmanship.

Tom has a refreshingly distinctive approach to box making. He uses domestic, exotic and figured woods in various colors combinations and designs to create one of a kind pieces that have stunning visual impact. The mechanisms to open drawers captivate and delight admirers of his work. He uses environment friendly finishes that enhance and adorn his beautiful work.

Tom has created a wonderful presentation that illustrates a step by step process of building one of his intricately designed boxes. He includes examples of techniques and jigs he uses to achieve the unique designs. Please join us for what will be an interesting, fun and education presentation! Hope to see you there!

See you at the meeting!

Susan Spray, Program Chairwoman

Car Pool

Any member who would like to car pool to SDFWA meetings, please list your name, phone number and zip code with **Al De Vries** (in back of meeting room). It is understood and agreed that this information will be given only and exclusively to SDFWA MEMBERS. You can reach Al a 619-440-6598 or alfreddev@hotmail.com

July Raffle

One of the most popular prizes is back this month. It's the Delta oscillating spindle sander. It's a handy tool for lots of tedious, time-consuming sanding jobs, and a real asset for any shop. Be sure to put a few tickets in the hopper for this one. But that's not all. Six other raffle prizes include the traditional Bosch combination router kit, clamps and a Lie-Nielsen block plane, one of my favorite hand tools.

Special thanks this month for great pricing from Bill Kohr at Craftsman Studios, Mike Durlak at Rockler and Bob Welte at Tool Depot, all enthusiastic longtime supporters of our Association and the Raffle.

Here's the complete prize list:

- | | |
|---|--|
| 1. Bosch 9.6 volt Drill-driver kit | A dependable quality tool |
| 2. 204 Piece Drill Kit | Drills for everything; all in one box |
| 3. Bosch Router/Plunge Router Kit | A traditional prize for the past ten years |
| 4. Lie-Nielsen 5 ¼ inch Block Plane | Great quality in a small package |
| 5. Delta Oscillating Spindle Sander | Did I mention this before? |
| 6. Set of 4 heavy-duty Clamps (2-40", 2-24") | Who ever has enough clamps? |
| 7. The usual bucket full of interesting tools, accessories and interesting wood | |

Ticket Sales start at 6:30, and only at the meeting. Come early and support this fun event. Every penny supports the purchase of prizes... More support means more and better prizes.

Bill Collins, Raffle Chairman

From the President...

The design In Wood show is over and once again it was a huge success at the San Diego Fair. I am constantly amazed at the number of people who come through the exhibit and remark that the Design In Wood show is what brings them back year after year. Thanks to everyone who contributed their time and volunteered to setup, teardown, walk the floor and/or work in one of the demonstration booths during the fair. This show could not happen without you. With the many activities we have each year it is easy to forget that the Design In Wood show was the original reason this organization was formed. In its 26th year it continues to be the highlight of the fair for thousands of visitors. It is the most diverse and largest exhibition of woodworking in the country. Fine Woodworking sends someone out from Massachusetts each year to judge the Best In Show. Many other publications and sponsors also have special awards. We have a fine reputation among the woodworking community and we are lucky to have it here in San Diego each year.

We judged and awarded eight scholarships again this year. Four were awarded to Palomar College students and four more given to high school students. The winning pieces are pictured in the newsletter. Congratulations to those selected. Competition is tough and it is very hard to choose among the fine entries.

The chair shop produced 50 chairs again this year. Don't forget to pick one up to take home and finish. They will be available at the July meeting.

Our fall seminar features Glen Huey. Glen makes his living making period furniture and is really practical and down to earth. It promises to be a big hit. Get your tickets at the meeting.

See you at the meeting.

Design In Wood Exhibition

The 2007, 26th Annual Design in Wood Exhibition, has wrapped up. This year's exhibition was very well attended with many potential sales inquiries regarding the 300 entries.

The Exhibition was well received by the public and was described on several occasions as being "stunning and beautiful." Again, it is extremely rewarding to have folks say that, "Design in Wood is their only reason to come to the Fair." This year was our third year to provide docent tours twice daily. Many folks who had done the tours in the past came back again. They noted that, "It is so much more meaningful to learn about the individual pieces and the judging process."

This year we almost completed set up in 4 days. With all the improvements we have made in our display, it is almost a "roll off the truck set up." Thanks to all the planning committee members for all their efforts to make things run so smooth. Thanks also to all the volunteers who helped with set up, manning the exhibit, and assisting with take down.

However there is always room for improvement. We are starting now to plan some fine tuning of the exhibit such as: the method for set up, the manner in which entries are handled, the judging process, the computerized volunteer set up process, and perhaps some redesign on the shadow boxes. Next year set up should go even better.

I want to personally **THANK ALL** who had anything at all to do with the 26th Design in Wood Exhibition from administrative support to the final take down.

THANK YOU ALL FOR THE GREAT SUPPORT.

Design in Wood wouldn't exist without the entrants. So again to our membership **THANK YOU FOR ENTERING** and good luck on next year's competition.

Bob Stevenson, Shows & Exhibits Chairman. SD County Fair, Coordinator, Design in Wood

NOTES FROM THE CABINET SHOP "MASTER"

The Fair is over and the Shop is closed for another year. Fifty solid seat chairs were assembled and I have 4 for the cane seats plus a table to build. I will have the solid seat chairs at the meeting and we (the members) need to take a couple and finish them according to the directions provided (it is for a oil finish). The chairs are due back in September for distribution to the charities.

I want to thank several people: Ed Ducharme for cutting out the seats, Tom Henderson for cutting the crest rails, Bill's shop for mortising, tenoning and drilling front legs, the aprons and rungs and branding the back apron, Jerry Pendzick for cutting out the back legs, and Bob Stevenson for helping mortise the back legs and, of course, all the Shop volunteers for their handwork.

I have been trying for several years to upgrade our capabilities and skills. Sometimes we live up the our name of "Fine Woodworkers". Sometimes we don't! During this next year, I invite each of you to become more proficient in:
Grain recognition
Measurement accuracy to 1/64th of an inch (at least)
Machine mark removal (a hand plane excels here)
Joinery accuracy and quality (joints are shaped after assembly—not before)
Use of hand tools
Recognition of the difference between a round over, a chamfer, and breaking an edge; and finally, an appreciation for the individual parts of the furniture you are building and their unique relationship to each other.

I apologize for sharply yelling at some of you and ask for your forgiveness.

Please come back next year and do an even better job.

Martin Ruch

Toy Program

Since our last report the following toys & chairs have been completed:

138	Cars & Trucks	Chuck Goldsmith	42	Bees	Davis's & Hughs's Group
40	Copters	Jerry's Toy Group	16	Cars	Bob Diehl
6	Chairs	Jerry's Toy Group	24	Cars	Ed Hugsak
30	Baby Beds	Woodberry's Group	50	Cars	Frank Butler

Our toy, chair, & table production total for this year is 1543. Many thanks to all for contributing your skill, time and effort to bring our toy program to the needy. We helped make a lot of kids happy this year!

Your used woodworking magazines & books are needed!

Please bring your used woodworking magazines & books to our club meetings and donate them to the Toy Program. Your Toy Program resells them and raises funds to buy wheels and paint. Thank you.

Roger Solheid, Toy Program Chairman

ProBono Letters

We received three letters from Catholic Charities Emergency Services Department, Horizon Christian Fellowship Children's Ministry and Catholic Charities Refugee Services thanking San Diego Fine Woodworkers Association for the donation of wooden toys which make underprivileged children's lives a little better.

Spotlight on a NEW Sponsor

Bayside Paint, Inc. Robert Lewis, Manager

1228 Knoxville St.
San Diego 92110
(one block north of SeaWorld/Tecolote Drive and a block west of Morena Blvd)

Click on their website www.baysidepaint.com for a detailed map and a fuller description of their product line.

Mohawk finishing products have long set the standard for quality for woodworkers, and San Diego's largest Mohawk distributor has become the Association's newest sponsor.

A visit to Bayside's spacious facility will introduce you to more brands and kinds of wood finishes than you could ever imagine, not only Mohawk, but others, including a full line of Zinsser products, a dozen or more shellac-based blending sprays, stains, thinners and reducers, sealers, waxes, fillers and all the tools it takes to use them.

Friendly, knowledgeable sales people are there to get you started, and the company is anxious to have Association members as customers.

Whether you are painting a house inside and out or tinting a wooden Christmas ornament, you will find just the right finish in just the right color for the job at Bayside, with a 10 per cent discount when you show them your San Diego Fine Woodworkers membership card.

See Bayside Paint's listing in the Resource Listings elsewhere in this newsletter, and welcome them to our Fine Woodworkers Association family of sponsors when you are there.
