at the Al Bahr Temple, 5440 Kearny Mesa Rd.
Behind the Hampton Inn**

July Program

Five Woodworkers

For the July program we have five of the woodworkers who were part of the "Forms in Wood and Fiber" show at the Mingei last year. They are Gene Blickensaff, Russ Filbeck, Patrick Edwards, Brett Allen Hesser and Del Cover. We will begin by showing a special video that was produced for the Mingei that profiles these 5 people, their work philosophy and their shops. This video was made by Emmy winning videographer Suzanne Bartole Owen. Afterwards we will have a panel discussion from the five woodworkers with an open question and answer session for the analysts. This will be a great opportunity to meet these people or ask them whatever you want about their work.

See you there,

Del Cover, Program Chairman

July Raffle

Once again we have 10 great prizes for this month's raffle. Whenever possible we try to shop at our sponsor's stores taking advantage of the sales and SDFWA discounts.

We appreciate the generous response for the raffle at the May meeting aboard the Maritime Museum ship Ferryboat Berkeley.

Soooo!...Please come early and **BUY lots of raffle tickets**, sales begin at 6:30. All of the money goes directly for acquiring bigger, better and a wider variety of prizes.

August Shop Tour

Who: Mitch Talcove

What: Open House at Tropical Exotic Hardwoods of Latin America

When: August 1, 2009, 1-4 pm (afternoon!)

Where: 2270 Camino Vida Roble Suite "B", Carlsbad, CA. 92011

Mitch Talcove is the proprietor and founder of Tropical Exotic Hardwoods, a unique specialty hardwoods dealer since 1972. Although normally closed Saturday afternoon, Mitch has agreed to open their warehouse as a special event for SDFWA members only.

The purpose of this open house is to introduce members to an excellent resource for rare and unique woods at discounted prices. All of the large and varied inventory will be 10% off, and, in addition, many specials will be offered at 20-40% discount.

Tropical Exotic Hardwoods has an exceptionally interesting spectrum of novel woods, both in species and form. They carry over 100 different woods, including familiar and exceptional tropicals, and unusual domestics, but don't handle standard domestic furniture woods (e.g. oak, maple, walnut). They specialize in the unique, carrying a wide variety of lumber, billets, turning stock, slabs, logs, etc. It's enjoyable just nosing around in the nooks and crannies of the warehouse, and there is always something new and interesting (or old and interesting!) in the way of an unfamiliar wood, uniquely figured wood, or other type of one-of-a-kind find.

The Tropical Exotic Hardwoods web address is below; give it a look! <http://www.anexotichardwood.com/>

Getting there from I-5: Take Palomar Airport Rd. exit east to Camino Vida Roble (~2.5mi), turn right and 2270 will be on your left in about one mile. Bear left as you enter the driveway to reach Suite B. From Hwy 78, go south on Rancho Santa Fe Road (~1.5mi), turn right onto San Marcos Blvd, proceed (~3mi) to El Camino, turn left and then right (~.5mi) onto Camino Vida Roble. Building 2270 is ~0.4mi on the right; bear left as you enter the driveway. See map below.

2009 Fall Seminar

This year we are privileged to have Phil Lowe as our seminar speaker. Phil is an *experienced lecturer and speaker*. His school, the Furniture Institute of Massachusetts, offers hands-on classes in all facets of traditional furniture making. He has been professionally woodworking since 1968 and is the author of many articles in Fine Woodworking Magazine. He will be teaching the art of traditional chair making. No matter the style of chair you want to make, the techniques are the same. Phil will show us how to design, build and fit a chair as he actually constructs the parts and assembles one on stage. Phil is featured in the "Time Life" series on woodworking and in videos with The Taunton Press on "Carve a Ball and Claw Foot," "Making a Sheraton Bed," and most recently, "Measuring Furniture for Reproduction." His teaching experience includes ten years (1975 -1985) as an instructor at Boston's North Bennett Street School, where he was department head for the latter five. Since 1985, Phil has operated a furniture making and restoration shop in Beverly, MA, producing work for the private sector and museums throughout North America. In 1997, Phil started The Furniture Institute of Massachusetts that offers hands-on classes in all facets of traditional furniture making. Phil has been a visiting instructor and demonstrator at various schools and woodworking organizations throughout the United States and Canada.

Seating is limited so sign up early to guarantee a seat.

Ed Gladney, Seminar Chair

DESIGN IN WOOD

Design in Wood – A Great Success for 2009

This year's Exhibition was a success on several fronts: We broke all records with set up; had great entries; stiff competition for the awards; and by all indications from the comments by the public, the best attraction of the Fair and best attended. Fair attendance exceeded 1.25 million.

I want to express my thanks to everyone who helped with Design in Wood 2009. Through the efforts of the Seaside Scrollers – Don and Mary Lee Lester, Karen Kaminski, Ron Unkerfer, Evie Aring, and Fernanda Brown - and my staff, we were able to win the theme award between the exhibits departments. It was too bad that Don passed before seeing his work win the award.

The lighting for this year's exhibit was directed by Don Spangler. He was also responsible for the closed circuit TV's, the security of the Sam Maloof Tribute, and the XM radio piped throughout the exhibit. To all my staff: Ron Rossi, Martin Ruch, Al DeVries, Tom Johnson, Ed Gladney, Sharon Pierce, Beryl Johnson, Dale Stauffer, Carl Drake, Don Spangler, Doug Parker, Glen Weischedel, Tom Henderson, Warren Stehle – **A JOB WELL DONE.**

To all of you who assisted in set up and take down – **THANK YOU.**

To all who entered or volunteered during the Fair walking the floor or working in the shop – **A HUGE WELL DONE.**

To Rhoda Keegan for all your last minute work to produce the wonderful catalog – **THANK YOU SO MUCH.**

To Doug Murphy and Eric Lunde for setting up the web site for signups for volunteering – **IT WORKED PERFECTLY.**

To the Violin makers and Scroll Saw booth, who provided evening demonstrations - **THANK YOU FOR HELPING MAKE THIS A GREAT EXHIBIT.**

The responses from the exhibitors as they came to pick up their pieces were extremely positive. Everyone was grateful to the Association for co-sponsoring the event and very appreciative of what we do.

Finally, the members of the public, and there were so many we couldn't count, who came by our information desk and thanked us for what we do with the exhibit. Many of those said it has become the one thing they come to the Fair for. It is extremely gratifying for my staff and me to hear these comments. I want you all to feel that pride. This year I would like to give a special thanks to Tom Johnson and Al DeVries of my staff who went the extra mile to "**WOW**" the many people who came to see Design in Wood.

Lastly, to my Committee, Scrollers, Maritime Museum, Turners, Carvers, Judges, our Photographer, Andy Patterson, and his assistant, Lynn Rybarczyk, the Web Master and our Volunteer Coordinators, Doug Murphy and Eric Lunde, and to Chuck and Sharon Anderson for letting us meet at their residence for our monthly meetings – **THANK YOU ALL.**

A lot of preparation goes into Design in Wood. To everyone, no matter how small or large your participation, please accept my sincere gratitude for **A JOB WELL DONE.**

With my deepest appreciation.

Bob Stevenson

SDFWA, Chairman, Shows & Exhibits

SD County Fair, Coordinator, Design in Wood

THANK YOU to Bob Stevenson, who **Wowed** Fair visitors to the Design In Wood exhibit with his docent tours and evening demonstrations and to Janet Stevenson who's tireless behind the scenes work helped bring the exhibit together.

Without Bob's guidance the DIW would not be the exhibit it is today.

Ron Rossi, Assistant Coordinator, Design In Wood, Newsletter Editor

NOTES FROM THE CABINET SHOP MASTER

The San Diego Fair 2009 Design In Wood Show will be over by the time this is published. It has been a good year with many lessons to be learned.

I want to thank all the volunteers who helped set up and take down the shop and who worked in the shop. Special thanks goes to some people who worked behind the scenes preparing chair parts:

Ed Ducharme	Cutting out the seats
David Barnhart	Cutting glue blocks
John Wilkinson	Cutting aprons, rungs, and front legs
Tom Henderson	Cutting crest rails
Ed Gladney & Dale Stauffer	Machining aprons, rungs, and front legs
Jerry Pendzick	Cutting out back legs
Bob Stevenson & Tom Henderson	Machining the back legs

Now that the chairs are assembled, they will be made ready for distribution for finishing (an oil finish) at the July meeting. I really don't want to have to beg members to take a couple of chairs home and finish them up, an instruction sheet will be provided. So now I'm begging...**please check them out before the meeting.**

Oh, by the way, the finished chairs should be returned at the September meeting or I'll even take them at the fall seminar. It is best to start finishing right away.

Martin Ruch, Shop Master

Toy Program

Since our last report the following toys & chairs have been completed:

42 Baby Cribs Sets	Jerry's Toy Group	775 Cars	Chuck Goldsmith
50 WWII Jeeps	Jerry's Toy Group	12 Crib Doll Sets	Barbara Moyer
25 Cameras	Jim's Toy Group	26 Tractor/ Wagons	Terry Stolzoff
17 Cars	Chuck Aulgur		

Our toy, chair, & table production total for 2009 is 1594. Many thanks to all for contributing your skill, time and effort to bring our toy program to the needy. We are making a lot of kids happy this year

Wood Needed for Toy making: We need Baltic birch plywood in 1/8", 1/4", 3/8", 1/2" thicknesses; minimum size of 8" x 13". Please bring to our club meetings. Thank you.

To San Diego Fine Woodworkers Association

This letter is in regards to the wooden toys donation to Nazareth Preschool. We greatly appreciate what you have done. Our preschool children will definitely make good use of all the wooden toys. Thank you again.

Sincerely,
Georgina Barragann
Preschool Director

I wanted to express my deepest heart-felt thanks to the San Diego Fine Woodworkers Association, for donating eight beautiful chairs to the Rock Rose Parent Co-Operative this last school year! We are a small school and community run, as such we get no money from the state for supplies. Getting donations from generous organizations like yours is instrumental in our ability to provide quality education to these precious children. The chairs fit perfectly in our classroom and added such an air of beauty and comfort. Thank you so much!!

With Deep Gratitude,
Katheryn Anderson
Kindergarten Teacher

My name is Mariemel Gawaran and I am the activity room assistant for the Starlight Activity Room at Rady Children's Hospital. Last week we had received some woodshapes from Al De Vries. I had asked Al for your association's mailing address or email address because the Child Life staff and I wanted to thank you and the rest of the woodworkers for the great woodshapes. They are such a big hit with the children and the patients and their families absolutely enjoy painting the various woodshapes. We greatly appreciate them. We hope you have wonderful day.

Best Regards,
Mariemel Gawaran
