Segmented Bowl Turning: The Big and the Small of It

Presented by Dan Leaf

WOW! Did you see that incredible Segmented Vase, last year at the Design in Wood Show. It was 3 feet in diameter, three and a half feet tall and contained over 3300 individual pieces. That was the work of Dan Leaf. He won numerous awards including First Place in that class of turning, The People's Choice Award and the Master Woodworker's trophy.

Dan started turning in high school shop class. He was drawn to the lathe because it was the one tool in the shop that wasn't being used. He has spent time with the late Ray Allen, a well known woodworker who created large segmented bowls and vases.

Dan doesn't turn only huge pieces. He also designs and builds smaller table top vases and bowls. The techniques for gigantic and standard sizes have some similarities, but there are differences.

Dan has put together a wonderful presentation with step by step photos on how he created that masterpiece titled "For Ray-3315 Pieces". He will also discuss and show how he does smaller pieces as well. Come and join us for an entertaining and informative meeting. Dan will have many of his pieces at the meeting for your viewing pleasure as well as jigs, sample pieces and tools that he uses in creating his wonderful bowls.

See you at the meeting!

Susan Spray, Program Chairwoman

May Raffle

Seven Great Prizes for Seven Lucky Winners

A smaller-than-usual crowd bought fewer-than-usual raffle tickets at the April meeting, but May's raffle has several of the favorites ...PLUS... a Delta Hollow Chisel Mortiser and a handy portable compressor and pin nailer.

Here are this month's prizes:

1. Set of 16 Amana Professional Quality Forstner Bits Hex no-slip shanks and saw-tooth design
2. Delta Mortising Machine Easy way for half of the mortise and tenon job
3. Box set of 8 Irwin Chisels and 18 drill bits
4. Lie Nielsen Bronze Rabbet Plane One of the handiest hand tools in your shop
5. Bosch Plunge/Standard Router kit It wouldn't be a raffle without one
6. Porter-Cable compressor and pin nailer Great for a small shop or take it with you
7. Bucketful of Surprises Who knows what you will find, but it's all good stuff

Tickets go on sale at 6:30. Come early and avoid the long line. More tickets sold mean even better prizes to come.

Bill Collins, Raffle Chairman

From the President...

This is the last meeting before the opening of the Design In Wood show in June. Time seems to be flying by this year. We have over 300 entries again this year but a completely different mix. It is shaping up to be another fine show. This is our big event for the year and our opportunity to meet the public and sign up new members. We still need volunteers to walk the floor and work in the chair shop. We have a lot of opening during the last week. Sign up on line at <http://www.sdfwa.org/DIWWolunteerSched.html> Bring your family and spend the day. You get fair tickets for volunteering.

SETUP STARTS MONDAY MAY 21 AT 8:30 AM. We need your help for setup and tear down. No sign up necessary for this. Just show up. No skill needed. If you have a screw gun, bring it. We will even feed you coffee and donuts in the morning and also provide lunch. And you get fair tickets for your effort. It is always a lot of fun and a good way to meet a lot of your fellow woodworkers. Times and dates are provided in Bob Stevenson's article on the Design in Wood Show.

We will be awarding our scholarships at Palomar and for the high schools in the next two months. I will be at Palomar for the banquet again this year. It is always a pleasure to award these scholarships.

We have retained Glen Huey for the fall seminar. Many of you may be familiar with his work on period furniture from his books and videos. See his web site at <http://www.woodworkersedge.com> I had the opportunity to meet and spend some time with Glen at the last woodworking show in Ontario. He is very personable and a real down-to-earth woodworker. He sat through both of our 20th anniversary videos and was quite impressed with our organization and the Design In Wood show. We hope that he will be able to be one of the show judges this year. Glen has made a living reproducing period furniture and his method of work combines hand and power tools very effectively. He uses power tools to speed the work and save time and hand tools when appropriate. His project DVD's are the best I have seen and are a real value. I am looking forward to his seminar this fall.

We had a great shop tour at Charlie Bierman's home shop. Charlie and his wife Helen are gracious hosts. Charlie put on a great display on production toy making. He even had plans and instructions on hand for the attendees. He has designed some fantastic jigs and aids for toy making. He also has some great general-purpose jigs for the band saw, drill press, router table, sander and table saw. Take a look at the pictures. Thanks, Charlie.

See you at the meeting and bring something for the brag table.

Ed Gladney, President gladney@san.rr.com, 858-484-4366

Design In Wood Exhibition

May brings us to Design in Wood SET UP. This is your show and one of the greatest public faces of the San Diego Fine Woodworkers Association. Starting Monday morning, May 21, at 8:30am, we will begin set up.

The Fair Planning Committee, I am proud to say, is the largest cohesive group within SDFWA. It has made Design in Wood the best woodworking show anywhere. We have not only made the gallery look good, we have streamlined set up so it can be completed in a manner of a few days instead of the two (2) weeks it used to take.

Although we have three (3) semi-trailers of equipment to set up, with your help, we can do it very efficiently. The magic words are: **WITH YOUR HELP!!!**

Parking near our building will be restricted so they are asking us to park in the main lot and walk in. I will have a limited number of passes for those who need to bring in equipment. I will distribute those as needed.

Remember, setup is May 21, 22, 23, 24, Monday – Thursday, starting at 8:30am each day. Six (6) tickets for a full day's work and all the food you can eat!

Helping Out at the Design in Wood Exhibition after setup

We can't run the shop and build all those beautiful children's chairs without your help. We can't protect those beautiful entries without your help. We can't promote San Diego Fine Woodworkers Association without your help. We are only at about 68% in the shop and only 50% signed up for the gallery floor.

We have done our best to help you sign up. We have the sign up sheets at the March, April and May meetings and, if you can't come to the meetings, you can go to the web site and see what days are open and then call or email Eric Lunde and he will sign you up. Eric Lunde: 858-487-7644 eric.lunde@cox.net

In fact as soon as you read this please get in touch with Eric because if you wait until the May meeting your choice of dates and times will be restricted. I also have to send out letters, tickets, and passes and I really need to do that now not at the end of the month.

Please sign up now while you are thinking about it.

Thanks a whole bunch! ☺

You get two (2) free passes to the Fair for each shift you sign up for. Sign up for several shifts and get enough tickets for your family and friends.

We have over 300 beautiful entries for this year's competition and I need your support to make **your** show one to remember.

If you have any questions, call or email me at:

Bob Stevenson, Shows & Exhibits Chairman. SD County Fair, Coordinator, Design in Wood

YOUR HELP IS NEEDED TO MAKE THE DESIGN IN WOOD SHOW **A SUCCESS !!!**

In the last few weeks the number of members volunteering to help with the "Design In Wood Show" at the San Diego County Fair June 8th to July 4th has dwindled to a mere trickle, leaving us with a severe shortage of help.

We started out needing to fill 308 time spots for the complete run of the Fair. We have filled 100 on the Gallery Floor and 92 in the Chair Shop. We need your help to fill these open slots, please consider assisting those already signed up by volunteering to work as a "Floor Ambassador" or to work in the "19th Century Chair Shop". Additional information about the duties can be found by following the directions at the bottom of this article (Instruction # 3). For each time slot you volunteer, you will receive two tickets for the fair.

As of May 4th we had the following time slots available;

Gallery Floor:

10 AM to 1 PM - 7 vacancies
1 PM to 4 PM - 12 vacancies
4 PM to 7 PM - 30 vacancies
7 PM to 10 PM - 27 vacancies

Cabinet Shop:

12 PM to 2 PM - 11 vacancies
2 PM to 4 PM - 10 vacancies
4 PM to 6 PM - 19 vacancies

Grab another member and sign up together or sign up alone but please get involved in your organization and volunteer to work at the "Design In Wood Show".

If you can't help out during the fair you might want to consider helping with the set-up. Starting Monday May 21st, 2007 @ 8:30 AM – 4:00 PM, through Thursday May 24th we will be setting up the demonstration enclosures, installing lighting, platforms and walls. Please see the newsletter for further information.

To volunteer for either the Gallery Floor or the Chair Shop follow the steps below:

1. Log onto the web site, the Home Page will come up.
2. On the right hand side of the Home Page under "Coming Events" select "[Volunteer To Work At Design In Wood](#)".
3. The "Available Times For Design In Wood 2007 Volunteers" page will come up. At the top of the page you will also see "Click here for a description of Volunteer duties".
4. Make your selections, make note of the area, date, and time. Include second choices if you wish.
5. Scroll to the bottom of the page and select the highlighted Volunteer Coordinator "[Eric Lunde](#)".
6. Wait until the E-mail form appears, and fill out the form.
7. For "Subject" please use "DIW Volunteer". This will make it stand out from the rest of my E-mails.
8. Please include your name, your phone number, which area you would like to work in, and the dates and times you would like to volunteer for.
9. In the upper left hand corner of the form select "Send".

If you need assistance or would prefer to leave me a phone message to volunteer I can be reached at **(858) 487-7644**. My answering machine is always on.

Fall Seminar, September 7, 8, & 9th 2007

Glen Huey – Presenter

Period Furniture – Tips and Techniques

This years Fall Seminar promises to be another premier event which will feature Glen Huey speaking on the topic of Period Furniture making. Don't forget to mark the dates in your calendar now, September 7th, 8th, and 9th.

Glen Huey, author of "Fine Furniture For A Lifetime," and a contributing editor to Popular Woodworking magazine. At the age of fourteen, with great help from his father built his first piece, a Sheraton Bed, that he still has to this day.

Listen to why Glen's passion for 18th and 19th Century styles run so deep? "First and most importantly, this is the era and style that I enjoy the most. This is the time period in our history that the best designs have been created. The development of Queen Anne, Chippendale, and Federal styles provided masterpiece designs for city patrons as well as the pieces that were copied by the rural craftsman. Add to this the Shaker movement with their distinct style, and who could ask for better craftsmanship to copy. Proven designs that are timeless."

Don't miss this opportunity to learn from an industry master.

Craftsman Studio Grand Opening - You're Invited!

Start off your Memorial Day Weekend at our **Grand Opening Reception**
Friday May 25 from 3:30 PM to 7:30 PM at our new Kearney Mesa store.

Chat with [Gary Rogowski](#), noted Author, Contributing Editor to Fine Woodworking Magazine and Director of The Northwest Woodworking Studio. Wondering what makes up the essential hand tool kit? Gary will be sharing his thoughts on the subject and may do some hand tool demos as well.

Light hor'douvres served from 5:30PM.

Please RSVP for reception to mary.hart@cox.net

During our "Grand Opening Week" of May 28th through June 1st, drop by to register to win a Lie Nielsen Bench Plane (no purchase necessary) and take advantage of Daily changing Special Promotions.

Our hours will be M-Thu 9:00 AM to 5:30 PM and Friday from 9:00 AM to 1:00 PM.
