November Program

Furniture Design

Learning from history without being condemned to repeat it by Paul Henry

When we design furniture, we all want to come up with fresh, pleasing shapes and details, but very often we don't want to reinvent the wheel-so to speak.

For several thousand years, furniture designers have worked out most of the details and forms that create a pleasing design.

Paul Henry, renowned designer and craftsman, who you also may know from his classes at Palomar College, will be showing us how the design process works.

Specifically, he is going to talk about how to develop new designs ideas from old forms and to integrate them into new and original pieces.

Please note that our November meeting will actually be in December. The meeting will be on Wednesday December 3 at 7:00pm in the Al Bahr Temple located at 5440 Kearny Mesa Road (behind the Hampton Inn) see you there.

Shop Tour

Shop Tour: Paul Henry Furniture

On Saturday December 13 at 9:00am we will have a tour of Paul Henry's recently renovated shop, located at 2633 State St. (rear), Carlsbad, Ca. 92008. Shop phone is 760-434-4270. There is adequate parking in the Carlsbad Village Coaster Station parking lot. Paul's shop is the red building adjacent to the north end of that parking lot.

Paul is a self-taught furniture maker who opened his first workshop in 1976 near Boston's South Station. In 1981, he moved to Carlsbad and began to specialize in antique restoration and moving damage repair, as well as custom furniture. Paul's current work is based upon traditional forms, and can be seen at the David Zapf Gallery, 2600 Kettner Blvd., San Diego as well as Trios Gallery, 130 S. Cedros, Solana Beach. Paul is an instructor of furniture design at Palomar College.

Paul's shop is 1150 square feet, crammed with tools, but with the flexibility to accommodate many different types of work. Paul will explain the layout and planning of the recent redesign of the space, and have current work-in-progress on hand.

Hope to see you there!

John van Blerck, Shop Tours Chairman (858) 673-3920, jvanblerck@jvbcm.com

From the President...

The fire has affected all of us in San Diego. Some of us have been affected more directly than others. If you have email you have already received our message about this. Many of us are anxious to help in some way. We are gathering information and assessing needs and will let you know as soon as we have more information.

Speaking of email, we are changing the email list to automatically include members on the list when you send in your membership. Be sure to read about this new service in this issue.

Another year has passed and it has been a good one for you and SDFWA. I am happy to report that the seminar was another great success this year. Once again we were able to hold down costs, give everyone a great bargain, and still come out financially solvent. We hope to have Lonnie Bird for next year's seminar. Another successful event was The Design in Wood show that had more categories, increased awards and record attendance again this year. We added and expanded the very popular mentor programs. We formed and increased the number of neighborhood toy programs. We awarded eight high school and college scholarships. We had a great bus trip to the Huntington Library and Shaker furniture exhibit at the Anaheim museum. None of these events can happen without the dedicated work of many volunteers. Thank you all for your service.

In accordance with our bylaws, next year's board of directors will be elected during the December 3rd general meeting. Nominations were opened at the September meeting and are closed at this meeting. Ron Rossi and Bob Stevenson will present the nominees and a floor vote will be taken. Besides the 5-member board we have volunteers serving on many committees that really form the heart and soul of the organization. Without them we couldn't function. Thanks to all of them for making 2003 another great year! Your committee chairs and volunteers are listed in each newsletter, so take a look and give them your thanks for their support. Of course there are many opportunities to get involved, meet fellow woodworkers and be part of the largest and most active woodworking organization in the world! Amateur or professional alike there is opportunity for all. Contact Ron or Bob if you have someone to nominate or if you are interested in serving on the board or a committee of this fine organization.

This month's speaker is Paul Henry on furniture design.

November is a busy time for us woodworkers making all those holiday presents. Bring your favorite to the meeting and show it off at the brag table. We woodworkers are always looking for good gift ideas. A very Happy Thanksgiving to all. I hope to see you at the next meeting. **Just remember it is the first Wednesday in December.**

Ed Gladney, President

New Customer For Kids' Cutouts

Jack Thurman has delivered hundreds of scrollsawn cutouts to Children's Hospital over the past few years, so he reasoned that Balboa Naval Hospital's young patients could also use a few to help them cope with the boredom that comes with being away from home and ill.

He filled a couple of boxes with a variety of animals, pilgrims, pumpkins, stars and flowers and made a surprise visit to Balboa's Ward 2 East where staffers met him with open arms. He delivered additional cutouts and memory boxes a few weeks later, and on that occasion met the rest of the Pediatrics counseling staff. A few days later the following arrived in the mail:

Dear Woodworkers,

The staff and children at Balboa Naval Medical Center want to express our thanks to you all for the wonderful wood pieces. They are so beautiful and the children love to paint them. They bring so much joy to these very sick boys and girls. We thank you for thinking of us and donating these creative pieces.

Sincerely,

Balboa Pediatrics Staff, 2 East.

Jack has hundreds of patterns and lots of wood, and asks that you lend a hand in this endeavor. Let him know of additional places where sick children might enjoy painting the wooden shapes our Association can provide. Call him at 619-232-4626 or see him at any general meeting to pick up plans or wood.

November Raffle

Seven Really Great Prizes this Meeting

You saw this DeWalt plunge router in action if you were at the September seminar. Andy Rae asked us to provide him with a particular router, and Tool Depot gave us the best price possible. Andy used it just once, and now it can be yours with the right raffle ticket. It's a beauty.

Tool Depot's Rosecrans store expansion is underway. That means more parking and more tools. More news at the general meeting. Manager Bob Welte tells me he will work VERY closely with us to help members who lost tools in the recent fires. Call me or John Van Blerck if that applies to you. This is one more case of our resource/sponsor members being there for our Association and its members.

E-Reminders.

We now have an E-Reminder system setup which will send out emails to remind members of up coming events such as shop tours and the Old Tool Swap Meet. If you would like to be added to the list, please send me an email to jvanblerck@jvbcm.com, and I will add your email to the list. The system has no irritating popups or commercials attached to it!

November 2003 Membership Report

We need a member to serve as Greeter, beginning in January 2004. Susan Kochel is retiring from that position at year end, having served diligently in that role for several years. A member who attends the general meetings regularly is encouraged to volunteer for this assignment to greet newcomers, point out the reserved seating for them and give them a ticket for the special drawing. Also, the Greeter telephones new members who have joined since the last meeting (sharing that duty with the Membership Chairman), to welcome them, encourage them to attend the next meeting and tell about what they will take place at that time. You will get to know more members and feel more closely connected to our association. Call or email me if you are willing to participate in this.

Our membership now numbers 1641, 1305 (82%) renewals from 2002 and 333 new members. There are 607 spouses with member cards. Death has claimed four members that we know of. Opting for getting their newsletters from our website rather than by US Mail are 293 members. If you are one of this group but haven't sent an email, with your name, to HarrySDFWA@aol.com, please do so. This will get you a private email notice when the next newsletter is posted on our website, www.sdfwa.org.

Members who change their mailing address should notify us of their new address (plus any change in phone number or other data); Postal Service forwarding is provided only for first-class mail. Forty undeliverable September newsletters have been returned to us with \$0.60 postage due for each. Of course, this is cheaper than spending about \$0.89 to provide future newsletters which won't reach the members until we get their correct addresses.

If you have any problems or questions concerning membership, please contact me at lenwener@cox.net or (619) 222-5521 or by mail to SDFWA, P.O. Box 82323, San Diego, CA 92138-2323.

The Fall Seminar was a success for the SDFWA. We had a fairly large attendance of 209 people. Andy gave a great seminar and all that I spoke with liked the presentation.

18th Annual Cut & Dried Hardwood Woodcraft Show and Sale

Cut & Dried would like to extend a special invitation to you to exhibit in the 18th annual Cut & Dried Hardwood Woodcraft Show and Sale. This year's event will be held on Sunday, December 7, 2003 from 10:00 am until 4:00 pm. This is an excellent opportunity to show off your woodworking talents and mingle with others who share your passion for wood. Many exhibitors have returned year after year and find our show and sale very worthwhile and enjoyable. Because there is no registration fee or percentage taken by Cut & Dried, this event can also be very profitable to you. We do ask that all exhibitors bring some sort of finger food or appetizer for about 40 people. Contact Paul at Cut & Dried Hardwood, 241 South Cedros Ave. Solana Beach, CA 92075, 858-481-0442 for additional information and/or registration.
