Our 29th Year of bringing Woodworkers together

Volume 29

November 2010 Newsletter

Issue 7

The Next Meeting is 7pm, December 1st
at the Al Bahr Temple, 5440 Kearny Mesa Rd.
Behind the Hampton Inn

November Program

Planers

The December program will be on planers, how they work and tips on improving their performance. This will be given by Michael Boie who is head of the DeWalt & Delta, Stanley, and Black & Decker product development team. Along with the informative program on the planer, Michael and a team from DeWalt and Delta, Stanley and Black & Decker will be setting up stations around the room to show three new prototypes that they are working on and to get feedback from the members. They are; a new bench top planer, a small portable shop vacuum and some new random orbit sanders.

Members will have time before the meeting and during the break to try out these tools and give feedback to the company of what they like, dislike and want in a tool. Come early as we should have the stations set up by 6 PM before the meeting. These tools are not for sale as they are still in the development stage, but I understand that they will be adding something nice to our raffle.

Remember to come as early as 6pm if you want extra time to preview the new tools.

Then and now.

See you there,

Del Cover, Program Chairman

November Raffle

Please come early and take a good look at the prizes. Ticket sales begin at 6:30pm with another opportunity to buy additional tickets at the meeting break. The more tickets you buy the better the chance of winning that tool you've had your eye on and would look great in your shop. All of the money goes directly to acquiring bigger and better prizes. See you at the raffle.

November raffle will have 10 prizes. Come early and be surprised. It is rumored that DeWalt will provide some of our raffle prizes.

James Strawn, Raffle Committee Chair, jlstrawn@cox.net

From the President...

Hello All,

Can you believe the year is almost over? That means two things are certain... You're running behind schedule making holiday gifts AND, it's time to spoil yourself with all the benefits of being a member of our Association. For a mere \$30 a year, just over 57¢ a week, how could you go wrong?

If you renew before January 31st, Sia will have your membership card laminated for you at the meeting.

The Membership Application is located on page 9 of this newsletter.

The Association By-Laws call for our election to be held at the Annual Meeting. This year, the meeting will be held on 01 December. The proposed slate of officers for the coming year is as follows:

President:	Robert Threm
Vice President:	David Henry
Treasurer:	Doug Parker
Secretary:	Dick Ugoretz
Member at Large:	Ed Gladney

Jim Vitale and Russ Filbeck were chosen as the Nominating Committee and will announce the nominees listed above, as well as take nominations from the floor prior to each seat being voted on. If you would like to nominate someone before the meeting for any of the elected positions in the Association, please contact:

Jim Vitale	858 623-8630	jamespvitale@yahoo.com
Russ Filbeck	858 566-9699	rcfilbeck@aol.com

The five elected positions don't even scratch the surface of the people it takes to keep our "tools" organized, the "shop" clean and the "machines" tuned up and ready with the flip of a switch. There are 25 positions and over 35 people within the Association Chairmanship that bring you all the benefits of being a member. If you read my last Presidents note, I mentioned a hidden message. My message was this – Our Association provides a lot of benefits to over 1200 people, all delivered by a relatively small group of very dedicated people, who share what they love to do. Volunteer – You'll get a lot out of it!

I would like to thank everyone involved with our very successful Fall Seminar with David Marks. At the end of the seminar, we ask that the attendees fill out a survey form. We received very positive feedback not only about the speaker, but for the seminar as a whole. I would like to especially thank Ed Gladney and Linda Sanders for all their hard work to provide the Association with another great seminar

If you would like to volunteer in any capacity within our Association, please contact me, or any of the other Board Members or Chairmen. We could always use the help.
The New Year is almost upon us. Renew your dues for continued benefits and discounts of being a member.

I hope everyone has a Safe and happy holiday season. I'll see you at the meeting on 01 Dec.

Robert Threm, President, sdfwapresident@cox.net, (619) 993-8207

ProBono Letters

Thank you again for honoring my request last month to donate the beautiful SDWA toys for the Toddlers at Twain. As I explained, the Assistance League of Greater San Diego is a volunteer partner with the Mark Twain High School, where many of the students are also young parents. These young mothers, to continue their education, most with little family support, must bring their children to school with them. There is a nursery program to care for the children at the facility, so the mothers can attend class. These Christmas toys from the SDFWA might be the only presents the Toddlers will receive. Our sincere thank you.

The Copley Family YMCA wants to thank you very much for your generous gift of wooden kid's chairs, which we will be using in our PlayCare program. PlayCare is a program designed to allow parents to drop off their kids while they workout. Because this program does not generate any extra income for our branch we rely heavily on donations such as the donations you have given us. This program allows the families in our community to come and workout with a peace of mind that their kids are not only safe, but having fun. Your donations have already been put to good use and we are very grateful that you thought of us!

Sincerely,

Amanda Green
Membership and Fitness Director
