September Program

THE BUILDING OF THE SAN SALVADOR

Speaker: Ray Ashley

SDFWA is honored to have the CEO of the San Diego Maritime Museum, Ray Ashley. Under his auspices Ray is supervising the building of Juan Rodriguez Cabrillo's flagship the San Salvador. Using power point he will update us on the progress of this project and the many activities of the maritime museum.

This should be a great chance to hear about what our partner in *Design in Wood* has on the drawing board. I hope you can join us.

Ed White, Program Chairman

September Raffle

From the President...

Hello All,

September is the month San Diego Fine Woodworkers Association nominates candidates for the next year's Board of Directors positions. This year's nominating committee is Viki Hennon and Roger Solheid. Nominations are opened at the September General Meeting and closed at the General meeting held this year on December 3. The election will be held at the December 3rd meeting. The five board of directors positions are president, vice president, treasurer, secretary and immediate past president/member at large. If the past president is not available, then the fifth director is chosen by the board members. If you would like to nominate someone or nominate yourself, please contact Viki or Roger.

Viki Hennon (858) 459-4301
Roger Solheid (858) 279-1140

vikih@mindsprig.com
rsolheid@sbcglobal.net

In addition to the board of directors, there are also numerous committee chair persons who contribute a tremendous amount of time and effort to the association's activities.

As I wind down the year as president of this organization, I would like to thank everyone who has stepped up to volunteer in the many activities we have produced over the course of this year. Without you the organization cannot succeed.

We also have a proposed amendment to the bylaws to update them to reflect our current operations as an Association. Please see instructions regarding viewing the proposed amendment later in this newsletter. We had a very hardworking committee that thoughtfully and carefully developed the proposed amendment. I would like to thank Rhoda Keegan, Robert Threm, Harry Baldwin and Lynn Rybarczyk for their efforts on this endeavor.

In July, Charlie and Helen Bierman trekked to my shop with samples of many of the toys the toy making groups have produced over the years. We set up some studio lights and took some really nice photos. The photos are now assembled in a book available for viewing at the general meeting. Making toys for underprivileged children is a very rewarding experience. Stop by the toy making table at the next meeting and Roger, Charlie and Charlie will set you up with some plans and parts for making a lasting and enduring toy that is sure to light up some child's day. We will also be announcing information about the Palomar College toy building class scheduled for this fall. Come to the September meeting for more information!

I am writing this prior to the Fall Seminar which features Robert Lang building an arts and crafts piece. I hope that those of you who took advantage of this great deal, really enjoyed yourself and learned a lot. Ed Gladney and Linda Saunders did an excellent job putting this seminar together. Thank you both of you for a job well done!

The bus tour of the Gamble house and Hunting Library Museum set up by Russ Filbeck in November has filled up and sold out. Due to the overwhelming response to the tour, we will definitely be doing more of these in the future!

After many years as Refreshment Chairman, Harry Feucht, has decided he needs a much needed rest. Don Spangler a long time volunteer and our newest volunteer, Glen Weischedel has agreed to take over for Harry in this very important task. All the refreshments at the SDFWA events have been organized by Harry for years. Thank you Harry for all the great service you have provided the association. Thank you and welcome Don and Glen.

We have a great meeting planned for September. I will see you there!!

Sue Spray, President 760- 599-9663 or sue@suescans.com

SDFWA Bylaws Review

The SDFWA Bylaws govern the way our organization is run. The bylaws cover topics such as membership and meeting requirements, duties of directors and many other areas that oversee how our Association is managed. To ensure that our bylaws are kept current and meet the needs of our membership, they are periodically reviewed. The last bylaws review was done November 1993.

Our President and the Board of Directors asked for volunteers to act as the bylaws review committee. The committee consists of four members: Robert Threm – Vice President, Rhoda Keegan - Secretary, Harry Baldwin – One of our Membership Chairman, and Lynn Rybarczyk - One of the founders of our association and Past President. Over the past few months the review committee has been working diligently to see that the revised bylaws meet our current needs.

The proposed changes to our bylaws are available for review by the membership. You can obtain a copy in one of two ways.

Send an email request to Rhodak@san.rr.com with the subject line BYLAWS REQUEST and receive a PDF file of the proposed changes.

For those without email access, request a printed copy via U.S. mail. To receive a printed copy, send your request to: SDFWA (Attn: bylaws), PO Box 82323, San Diego, CA 92138-2323.

There will be a limited number of copies available for you to review at the September, General Meeting and the December, Annual Meeting. If you have comments or questions regarding the proposed changes, please submit them via email to rhodak@san.rr.com or in writing to: SDFWA (Attn: bylaws), PO Box 82323, San Diego, CA 92138-2323. Any bylaws correspondence must be received no later than 15 October 2008.

After the committee has collected and considered all inputs from our members, the Board of Directors will be notified of our final copy of the revised bylaws which will be presented to the membership for approval at the Annual Meeting on 3 December 2008.

SDFWA Membership Report for September 2008

We have 1447 members, including 255 new members and 1192 renewals. Of the 1450 members on 31 December 2007, 260 (17.9%) did not renew for 2008, including 84 of the 226 who joined in 2007. Our problem is retaining members, both old and new. The loss rate is greater for one-year members (37.1%) than for the longer term ones (14.4%). The loss of old members from death or infirmity is surely a small part of this latter group.

After nine years as Chairman, Len Wener will turn over the job to Sia McGown after the Seminar has ended. He plans to remain on the Membership Committee as a backup to Sia whenever needed. The voluminous membership files will be copied for her and the database will be transferred. It is clear that only one person can be authorized to make entries or changes in the database.

ProBono Letters

Dear S. D. Fine Woodworkers,

July 7, 2008

Thank you so much for the wonderful wood shapes that you delivered to our playroom. The patients and families absolutely love painting them. Thank you again, you guys are awesome.

Child Life Staff, Rady Children's Hospital

San Diego Fine Woodworkers

July 18, 2008

Dear Gentlemen,

Yesterday James Vitale delivered the wonderful wooden toys your organization makes, from the wood that is donated to you. He brought cars and trucks and pull-toys along with 2 step stools. They are so colorful!

We will be able to use them in our church nursery and we have plans to have some of them given as prizes at our church picnic. We are also having a fundraiser in November and hope to be able to incorporate some into our "fun baskets" we offer for bid at the auction. We are always looking for hand-made items to use in our Auction!

On behalf of our Pastor and our parish community, I want to thank you for your gifts. God Bless you in your Christian Charity.

Sincerely,

Mary George
Business Manager, St. Pius X Catholic Church

San Diego Fine Wood Workers

On behalf of Child Welfare Services North Inland Region, I would like to thank you for your generous gift of over 200 wooden cars, trucks and stools. Your commitment to helping families and children in our community is sincerely appreciated.

Each year the County of San Diego continues to advance its mission of promoting healthy families and kids. Through our programs in Child Welfare Services we have seen many lives changed for the better. In particular North Inland Child Welfare Service has had much success this past year. We are focused on keeping foster children close to their community and schools. Additionally we work closely with community partners, collaborating services for our families to lower risk and maintain children in their home.

The goal of the Child Welfare Services is to continue to make a difference in the families we serve. With the help of donations from supporters such as you, we will continue to see such improvements. The wood toys and children's furniture you donated will make a positive impact in our family visitation rooms in several offices throughout North County.

Thanks again for your generous support of our efforts to provide services to the families we serve.

Sincerely,

Bob Prokesch, Protective Service Supervisor North Inland Child Welfare Services, County of San Diego

Dear Fine wood Workers,

August 27, 2008

Thank you so much for the beautiful wooden toys that you made and donated to our Sunday Preschool program. We are always looking for quality toys that will engage our children in creative play, and the ones you gave us are exactly what we need. I plan to share them with our Mother's Spirituality Group too, because babysitting is offered to the Mom's young children while the Mother's group has its meetings.

We really appreciate your thoughtfulness, and I cannot wait to begin using the toys with our preschoolers. God bless you!

Sincerely,

Kathy Galler
Sunday Preschool Co-ordinator
San Rafael Catholic Church

As well as the above letters we received a certificate of appreciation for our contribution to the MCAS-MCCS Miramar Children's Library

ROCKLER WOOD WORKING AND HARDWARE

Mike Durlac: Manager

50 years ago The Rockler Company began in Minnesota as the brain child of Nordi Rockler. From flyers to catalogs the business has evolved into a national chain. The San Diego Rockler Wood Working & Hardware Store located at 8199 Clairemont Mesa Blvd continues to be one of the premiere sponsors of the SDFWA by supporting the raffle prizes at the monthly meetings, annual seminars and other SDFWA events.

A retired Marine, mild mannered manager Mike Durlac through his 10 highly qualified employees ensure that customer service comes 1st providing the highest quality knowledge and attention to detail. From the beginning hobbyist to the most accomplished craftsman you'll find what you're seeking at Rockler's.

During a recent chat with Mike I was amazed to learn that they carry between 24,000 to 26,000 line items in house. Almost a guarantee the first visit to Mike's place won't be your last.

And if it's training on a particular tool you are thinking of purchasing or already own, contact Rockler's at (858) 268-1005 for their weekly 9:30 to 11:30 Saturday sessions. Using skilled in house employee's as well as renowned Palomar College instructors the Saturday sessions are nothing short of the best in the area.

For the past ten years Mike has authorized a 15% discount on various selected items for all members of the SDFWA. Ya just can't get a better deal than that.

Mike stocks a full line of plans and instructional books covering all facets of wood working from A to Z.

A phrase taken from the company mission statement sez it all....Rockler employees will, "strive for continued improvement even after the customer is satisfied!

Oh yes, and don't forget the great Fall and Spring parking lot sales at Rockler's Clairemont location.
