## **September Program**

### ***The History of Shaker Boxes***

***by Russ Filbeck***

The September program will feature Russ Filbeck and he will be discussing the history of the Shaker boxes and the materials used to make them. Russ will follow his discussion with a demonstration of how to make a small set of boxes. The steps will include preparing the box and lid bands, boiling the bands and bending them around a form. Copper tacks will be used to secure the ends. The tops and bottoms will be fitted to each individual box. A video camera will project the demonstration on the big screen so everyone will be able to see.

To make this presentation special, Russ will donate a set of signed boxes for a separate fund raising raffle. All proceeds will go to the toy-making program. A separate table, near the raffle area, will be set up to sell tickets for this special drawing. The meeting will be on a **TUESDAY** September 27 at 7PM in the Al Bahr Temple located at 5440 Kearny Mesa Road (behind the Hampton).

See you there,

**Del Cover, Program Chairman**

## **From the President...**

With the Design in Wood Show in our rearview mirror, our second biggest event, the Fall Seminar, has been in the planning stages for a few months now. This year Ed Gladney was able to arrange for Paul Schurch to come down for the two and a half day event. At the time of this writing, the seminar has not taken place yet, but you can expect to get an update in the November newsletter.

I would like to welcome Ross Rehart into our group of dedicated members who keep the association running. Ross is taking over as Newsletter Editor for Ron Rossi, who held the position for 11 years. Ron will continue to play an active role within the association as DIW Assistant Show Coordinator and Refreshments Co-Chairman. Thank you Ron for 11 years as Newsletter Editor and for your ongoing support.

Just a reminder... If you took one of the children's chairs home to apply the finish please try to have them back by the September meeting – being held on a TUESDAY this month (9/27). Also, keep in mind that the fall **Old Tool Swap Meet** is going to be held on 6 November in the parking lot at Rockler.

If you're interested in woodworking videos, we have them!! You can go to our website and look at the list of videos available at [SDFWA video link](#), then call or email Bob Reese [rreese@gmail.com](mailto:rreese@gmail.com) and he will ensure your video is at the next meeting.

### 2011 Nominating Committee

Time has come for us to nominate candidates for the 2011 Board of Directors. Robert Reese and Ross Rehart have been appointed as the Nominating Committee. Nominations are open at the September 27th General Meeting and closed at the November 30<sup>th</sup> Annual Meeting.

The five Board of Directors positions that we will be voting on are – President, Vice President, Treasurer, Secretary and Member at Large.

If you would like to nominate someone or nominate yourself, please contact Robert Reese or Ross Rehart.

Ross Rehart 760-445-1233 [rehartr@yahoo.com](mailto:rehartr@yahoo.com)

In addition to the Board of Directors there are numerous Committee Chair Persons who contribute a tremendous amount of effort to the Associations activities. Many of our Chair Positions could use a little assistance to make their job easier. If you have some spare time and would like to volunteer, please let one of the Board or Committee Members know and I'm sure they would welcome the help.

From the County of San Diego Health and Human Services Agency;

On behalf of the children at the A.B. and Jessie Polinsky Children's Center, I would like to thank you for your donation of wooden toys received on 8/10/2011.

The Polinsky Children's Center is San Diego County's emergency shelter for children separated from their homes and caretakers due to suspected abuse or neglect. Each year, more than 2,500 children find a safe haven in our Center. With the help of donors, we are able to provide an environment at the Center where children can be children again.

Again, thanks for your kindness and generosity.

Sincerely,

Cathi Palatella, Director

## Paul Schurch

### Veneer, Marquetry and Furniture Design

September 16, 17, 18, 2011

We are pleased to announce that world renowned, award-winning artist, Paul Schurch is teaching our fall seminar. Paul has been a perpetual winner at the Design In Wood show and continues to amaze with his marquetry and furniture design. Paul is recognized throughout the world as a master artist. Lately Paul has been interested in teaching furniture design techniques along with veneering and marquetry. Paul's artist statement follows;

"The furniture I create is inspired by my connection to, and observation of nature. I see my furniture as an amalgam of classically

influenced styles and contemporary shapes, playful imagery and exotic materials. My challenge is to bring these elements together, and create from them a story that works. This is where my creativity is expressed and where I thrive. I am excited by the prospect of reinterpreting timeless concepts in a fresh and unique manner. I feel I am doing so by taking the art of marquetry beyond its former confines, and by occasionally using stone, gem and shell inlay in my images. My intention is to create pieces of integrity, including beauty and function."

- Paul's latest book- Practical Furniture Design
- 3-day seminar Friday evening, Saturday and Sunday
- Breakfast rolls, donuts, coffee and juice provided Saturday and Sunday morning
- Catered hot meal lunch – Saturday and Sunday
- Soft drinks, coffee and snacks provided all day
